

Associate in Arts (AA) Transfer Degree Guided Pathway

Guided pathways are recommended course sequences for earning a certificate or degree. Waubonsee’s academic and career advising and counseling professionals are available to guide students on their path to graduate.

The Associate in Arts degree is a general degree designed to transfer to a four-year institution in any major. Select elective courses from [transfer guides](#) and [partnership agreements](#). Students should consult with an Academic Career Advisor to map a pathway aligned to transfer and career goals.
