

Advanced Auto Body Repair Certificate Career Ready Pathway (12-Months)

Guided pathways are recommended course sequences for earning a certificate or degree. Waubonsee's academic and career advising and counseling professionals are available to guide students on their path to graduate.

The Auto Body Repair Program provides students hands-on skills in body repair, surface preparation, painting, and frame repair. Student who successfully complete this program are prepared to take the Automotive Service excellence ([ASE](#)) Auto body Certification exam and to begin their career as an auto body repair technician.

Auto Body Repair is a full-time cohort program. Students are required to register for all courses in a given semester.
