

Full-time Basic Auto Body Repair Certificate Career Ready Pathway (4 Months)

Guided pathways are recommended course sequences for earning a certificate or degree. Waubonsee's academic and career advising and counseling professionals are available to guide students on their path to graduate.

This certificate provides students with the knowledge and skills for paint preparation and basic body repair, which prepare an individual for entry-level positions within the collision repair industry.

Auto Body Repair is a full-time cohort program. Students are required to register for all courses in a given semester.

Fall	Credits	Prerequisite	Semester Offered	<input checked="" type="checkbox"/>
