MIRANDA

“I always make sure that I know exactly when my registration is and that I’ve met with my advisor beforehand to organize what I will select way before the actual day!”

MASON

“...talk to your counselor or your advisor to see what classes you need to take next. Also, to be ready to register on time because a lot of the classes fill up very fast!”

MARIANA

Make an appointment [with your advisor] and plan out your work and school time well, so you don't have to stress too much."
