BENEFITS OF INVOLVEMENT

Get the most out of your time at Waubonsee by getting involved! The Student Life Office offers leadership opportunities, service projects, clubs, and general events for the student body to attend and enjoy. Students who are connected and involved meet new people, gain or enhance leadership skills, and have FUN while they are at Waubonsee. Participation in student organizations, as well as certain leadership and service opportunities, is listed on your co-curricular transcript. Check out the “Student Senate” and “Student Organizations” sections that follow, and contact Student Life for other opportunities and more information.

Finding Out About Activities

Most events and opportunities are posted on the college-wide calendar accessible online at calendar.waubonsee.edu or follow us on social media. Also, watch campus bulletin boards, Student Life easels, or the campus TV screens for information. Call the advisor of student organizations that may interest you, or attend the Engagement Fair, held at the beginning of each semester. Visit the Student Life Office on the Sugar Grove Campus in the Student Center, Room 126 for more information or see the calendar of Student Life events on the college-wide calendar.

How to Start a Student Organization

New ideas for student organizations are always welcome! New student organizations must meet certain criteria and be voted upon by the Student Senate before becoming a student organization affiliated with Waubonsee Community College. Any suggested group must be inclusive and welcoming of all students attending Waubonsee. To start a new student organization, contact the Student Life Office, Student Center, Room 126, (630) 466-2369.

STUDENT SENATE

Waubonsee's Student Senate is a channel of communication for students to discuss topics of interest with the administration. Members of the Student Senate sit on many college committees, enabling them to provide student perspectives and feedback. Student Senate is governed by a constitution approved by a vote of the student body. The Senate is comprised of 12 students, a president and eleven senators. Student elections are held in the fall and spring semesters. The senate has open meetings and all students are invited to attend. Students are encouraged to share their ideas, problems, and suggestions by using senate mailboxes in the Student Life Office, STC 126.

Student Trustee

A student member is elected to the Waubonsee Board of Trustees during the spring student government election and serves a one-year term. The Student Trustee attends all board meetings to represent the interests of Waubonsee students. The Student Trustee has a mailbox in STC 126 and can be contacted through the Student Life Office.

STUDENT ORGANIZATIONS

Please visit www.waubonsee.edu/directory if you would prefer to send an email to an organization advisor.

ABCs OF WAUBONSEE

Academic and Career Advising

Academic and Career Advising is here to help students navigate the process of choosing a major and developing a career path. No matter the path, Academic and Career Advising is focused on students' success in achieving their educational goals at Waubonsee.

New students who have never attended Waubonsee or other colleges/universities before should start with Admissions. Admissions helps students through the getting started process, including completion of the New Student Application, Course Placement, Pre-Registration Review (PRR), and first-semester advising and registration.

Specific phases of the academic advising process include the following:

- 1. Course Placement:** Students will be placed into the right English and math courses based on their high school GPA; ACT/SAT/GED® or HiSet scores; placement testing results; previous coursework (including transitional high school courses); or other measures. (Note: Some other classes may require placement testing to meet prerequisite requirements. Students may also be placed into Waubonsee courses based on their placement testing done at another college or university, or prior college coursework. Visit www.waubonsee.edu/placement for specific details.) There is no fee for required testing; however, students must have a picture ID and X-number handy when they come for assessment. See also "Learning Assessment and Testing Services."

- 2. Pre-Registration Review (PRR):** All new credit students must complete the Pre-Registration Review (PRR) tutorial before registering for courses. The tutorial explains Waubonsee’s degree and certificate programs and teaches students how to use the college catalog, credit schedule, and test scores to select courses. Students then register and pay for their first semester of courses online.

Students can access the Pre-Registration Review through mywcc at mywcc.waubonsee.edu/PRR. An X-number is needed to log in.

- 3. Continued Academic and Career Advising:** All currently enrolled students are encouraged to meet regularly with their assigned advisor to discuss career plans and academic goals. Students who need to plan out their class schedule, withdrawing from or adding a class, exploring career options, or experiencing academic difficulties are especially encouraged to check in with their assigned advisor.

Whether students are following a carefully prescribed curriculum toward a certificate or associate degree, or intend to transfer to a four-year institution, meeting with their assigned advisor before registering for classes each semester ensures students are taking the correct classes to achieve their educational goals. Academic and Career Advisors can be especially helpful in ensuring courses taken at Waubonsee will transfer into the desired program at the four-year institution.

All first-semester degree and certificate-seeking students are required to meet with their Academic and Career Advisor to develop their academic plan, and review career and transfer options and college success resources. First Semester Academic Planning is required before students can register for the next semester.

Academic Early Action Program

1. Academic Early Action: Waubonsee’s Academic Early Action Program enables instructors to raise academic concern flags on students who may need extra assistance during a particular class. This notification helps the student identify what may help them succeed. Students flagged with alerts will get an email from their instructor and an additional outreach from a specialized staff member. Areas of difficulty can include attendance, English proficiency, academic preparation/prerequisites, assignments, and/or appropriate classroom behavior.

Students identified with academic difficulties are encouraged to meet their instructor and make an appointment with their assigned advisor to address the areas of concern and develop a strategy for success.

2. Academic Probation: All students who earn a semester grade point average below 2.0 are automatically placed on academic probation. See “Probation, Academic.”

Access Center for Disability Resources

The Access Center for Disability Resources is a resource for faculty, staff, and students. The Access Center is committed to collaborating with the campus community to increase accessibility and reduce barriers for persons with disabilities and to ensure effective delivery of student accommodations. Adding, Dropping, or Withdrawing from Classes

Once students have completed the initial registration process, they can make adjustments to their schedules. Check the deadline dates on the website at www.waubonsee.edu/academic-calendar. Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript. Be sure to speak with an advisor/counselor and contact the Financial Aid Office before changing your schedule. Schedule changes may impact financial aid eligibility. Please see the “Withdrawals” section.

Admissions

The Admissions Department assists prospective and current students. Admissions Advisors provide information on the getting started process and available academic programs and services. In addition, they provide first-semester academic advising to new students. The staff also provides a number of outreach services within the community in order to educate community members about the college. The Student Ambassadors also report to this department. Admissions oversees the selection and onboarding processes for the Gustafson Scholarship Program. Once Gustafson Scholars become students, they report to the Student Life Office.

Assemblies

Attendance

Class attendance has a direct effect on successful course completion. If students do not attend class before the refund deadline (as indicated on the Registration, Refund, and Withdrawal Dates chart on the website), they may be withdrawn from the course with no refund. Students may be administratively withdrawn at any time if they are not actively attending and pursuing course objectives. See “Withdrawals” for more information.

In case of illness or other mitigating circumstances, students should contact instructors. Accommodations such as make-up work may be arranged at the instructor’s discretion. Compliance-related recommendations (Title IX or ADA, for example) may also affect class attendance accommodations. See also “Withdrawal” further on in this section and www.waubonsee.edu/legal for more information.

Non-Attendance Due to Military Service

In accordance with Illinois Statute (330 ILCS 60/5.2), a service member enrolled in courses and unable, because of their military service, to attend classes on a particular day or days has the right to be excused and to reschedule a course examination administered on the missed day or days. The student and instructor are to determine if the student will be able to successfully complete the course due to missed classes or if the student needs to withdraw due to military service. A copy of military leave orders must be presented to each instructor prior to the student's absence(s). Successful completion of the course(s) remains the sole responsibility of the student. For additional information please visit www.waubonsee.edu/veterans.

If a student's military service requires them to take a leave of absence (more than 30 consecutive days of active duty), the student should withdraw due to active military service. In accordance with the Higher Education Act 2008; Public Law (110-315), the service member is entitled to be re-admitted in the next class or classes in their program after giving notice to re-enroll.

Auditing

Auditing a class involves enrolling and acting as a full participant in it, but not receiving credit for it. Performance and skill courses cannot be audited. Students registering for the class for credit have first priority. Auditing students pay full tuition and fees, and they must meet the course prerequisites. Audit registration status may not be changed after mid-semester of the course. Once the course has started, auditing students cannot change to credit status. High school students are not eligible to audit courses.

To access a computer or to get hands-on assistance, visit the Sugar Grove or Aurora Downtown Campus Financial Aid Office. Be aware that specific deadlines and attendance requirements apply to financial aid students and can affect eligibility.

Students who receive federal financial aid⁺ are subject to the Federal Return of Funds policy if they withdraw or fail to successfully complete any course prior to attending at least 60 percent of the semester.⁺⁺ The Financial Aid Office will calculate the federal financial aid earned using the percentage of the term attended.

More information on Withdrawals and Financial Aid can be found under "Withdrawals."

Grades

Students receive grades for every credit course they enroll in at Waubonsee. Grades can be accessed through mywcc at mywcc.waubonsee.edu. Waubonsee has policies regarding academic probation, grade changes, grade appeal, and grade forgiveness. Students may be able to qualify for honors programs, the Dean's List, the President's List, membership in honor societies, and graduation academic honors.

Incomplete Grades: A grade of I signifies incomplete coursework and is assigned at the discretion of the instructor when illness or other unusual circumstances prevent a student from completing course requirements by the end of the term. A grade of I may not be assigned as a final grade unless a signed, completed Agreement for Incomplete Coursework is submitted to the appropriate dean's office by the instructor no later than the Friday prior to the deadline to submit grades.

The intent of the agreement is to:

- establish course components required to be completed by the student;
- establish a time frame for completion of required course components—must be no later than the end of the next full 16-week semester;
- establish a grade for the student in the event that required course components are not completed.

In the event that a faculty member is unable to meet the terms of the Agreement, the grade agreed to in the Agreement will be assigned by the appropriate dean. This definition does not allow for regular letter grades (A, B, C, D, F, or W) to be changed to an I grade after final grades are assigned. Special exceptions may be presented to the Provost for consideration.

Grades in Repeated Courses: If a credit course is repeated, only the higher grade is used to calculate the grade point average. However, certain courses are designed to be repeatable, such as applied music, physical education, and developmental courses. Grades in these repeatable courses are calculated in the grade point average based on the allowable amount of repeats noted in the course description.

For these courses that are designed to be repeatable, it is necessary to complete a Repeatable Course Grade Change Request form if the student wishes to have only the higher grade(s) calculated in their GPA. Request forms are available online in mywcc.

Grade Change Process: Requests for a change in a final grade must be submitted to the instructor within one calendar year of the date the final grade was officially due to Registration and Records. Contact the Registration and Records office for the appropriate grade due date. No grade change may be processed after one calendar year. Regular letter grades (A, B, C, D, or F) cannot be changed to an I or a W grade after final grades are assigned. An I grade can only be changed to an A, B, C, D, or F grade. Special exceptions may be presented to the Provost for consideration.

Grade Appeal Procedures: The following steps describe the grade appeal process for credit students.

Step 1: Discuss with the course faculty member the rationale for the final grade and to share concerns and reasons for requesting a grade change. If after discussion with the faculty member, a student is not satisfied with the results of their grade concerns, proceed to step 2.

Step 2: Submit a formal grade appeal by sending an email from your Waubonsee student email to the instructional dean that oversees the course. In this appeal, attach a letter including 1) the rationale for the requested grade change, 2) any documents that explain or support your request, 3) rationale/communication shared by the course instructor denying the grade change. Students have one calendar year from the last date of the semester of the course grade they wish to appeal to submit a formal appeal. Outside of one calendar year the appeal will not be considered.

The Dean will investigate the student's concerns and attempt to facilitate a resolution. Within 30 college days, the Dean will prepare a written determination addressing the student's concerns and sends it to the student's Waubonsee email address with a copy to the appropriate instructor. College days are defined as Monday through Friday 8:00 a.m. until 4:30 p.m.

Step 3: If the appeal is denied at Step 2, the student has the right to elevate the appeal within 10 college days of the Dean's determination to the Assistant Provost of Teaching and Learning. Appeals submitted outside of the 10-college days will not be considered. The Assistant Provost of Teaching and Learning investigates the student's grade concerns and attempts to facilitate a resolution. Within 30 college days of the receipt of the appeal, the Assistant Provost of Teaching and Learning sends a written determination to the student's Waubonsee email address with a copy to the instructor.

Step 4: If the appeal is denied at Step 3, the student may file a final written appeal within 10-college days, to the Assistant Provost of Student Services, requesting that the matter be considered by the Academic Review Board. Appeals submitted outside of the 10-college days will not be considered. Within 45 college days after receipt of the appeal, the Academic Review Board will convene to consider the matter. At that time, the student and the faculty member (or the faculty member's representative), may have the opportunity to present oral and/or written statements in support of their position.

Within 30 college days after the conclusion of the Academic Review Board's consideration, the board will make a final determination based on the facts and the evidence of the case. The Assistant Provost of Student Services will also procedurally review the case to ensure that the grade appeal process was conducted in accordance with these established procedures and will share this review with the Provost. The Provost will review all of the documents and deliberations regarding the requested grade change and, assuming concurrence with the decision, will share the Academic Review Board's final decision to the student and faculty member. This decision is the final action in the Grade Appeal Process.

Grade Forgiveness: This procedure provides the student with a second chance. A student may apply for forgiveness of grades of D or F earned in courses taken previously at Waubonsee. To be eligible to apply for grade forgiveness, a student must meet the following two conditions:

- cannot have attended Waubonsee Community College or any other post-secondary school for a consecutive period of at least 18 calendar months between the dates of enrollment at Waubonsee, and
- must have completed a minimum of 15 semester hours with a grade point average of 2.0 or better at Waubonsee Community College since the re-enrollment after the 18-month out-of-school period.

Courses approved for grade forgiveness are listed with a special notation (G) on the student's transcript and are not included in the calculation of the student's GPA. More information is available on mywcc or from the office of the Assistant Provost of Student Services.

Grade Point Average

Final grades and the academic transcript are accessible via mywcc, and the academic transcript will indicate the student's current grade point average (GPA). The grade point average is an important indicator of progress toward academic and career goals and can be calculated at any time.

To calculate a GPA, a student needs:

- a list of all courses taken
- the number of credit hours for each course
- the grade received for each course
- the grade point level chart

Grade Point Level Chart: Grade points at Waubonsee are assigned on the following scale:

Grade	Significance	Grade-Point Level
A	superior	4.0
B	good	3.0
C	average	2.0
D	poor	1.0
F	failure	0

Grades not figured into grade point average:

WU, WC, W	withdrew
I	incomplete
E	credit by proficiency
Z	audit
Y	successful completion of a continuing education course
N	unsuccessful completion of a continuing education course
MG	missing grade
NC	noncredit course
(H)	honors course notation
(G)	grade forgiveness
(T)	transfer course

Note: Repeated courses are marked with a notation.

Here are the steps to calculate a grade point average: (Students may do this for a semester, a year, or cumulative to date.)

1. List each course, semester hours, and grade point level.
2. Multiply the semester hours by the grade point level to get the grade points achieved for each course.
3. Add the column of semester hours to get the total semester hours.
4. Add the the column of grade points to get the total grade points.
5. Divide the total grade points by the total semester hours to get GPA.

Figuring Your Grade Point Average: An Example

Course	Sem. Hrs.	GP Level	Grade Points
COM 100	3	4.0 (A)	12 (3 x 4)
PSY 100	3	2.0 (C)	6 (3 x 2)
BIO 120	4	2.0 (C)	8 (4 x 2)
MTH 107	3	3.0 (B)	9 (3 x 3)
Totals	13		35

Grade points ÷ semester hours = GPA 35 ÷ 13 = 2.69

Graduation

Students should know and observe the requirements of the certificate or degree they are seeking and the rules that govern academic work. Academic and Career Advisors or Counselors can help make can help make wise decisions, but the ultimate responsibility for meeting the requirements to complete rests with the student. Consult the catalog for certificate or degree requirements.

Applying for any associate degree: Intent to Graduate form in mywcc (For Students > Planning Your Path > Graduation > Intent to Graduate) should be submitted once you've registered for the final courses required to complete your program. Once the Intent to Graduate is processed, you will receive an email confirming the remaining courses in your program.

Final deadline for accepting Intent to Graduate forms:

The Intent to Graduate form should be submitted before the end of the semester that you are completing the program requirements. Intentions may be completed after the end of the semester, but you may not be awarded until the next semester.

Participation in the May Commencement Ceremony:

Commencement is Waubonsee's graduation ceremony and occurs each May. Graduates from fall, spring, and summer semesters are invited to participate. Spring and summer graduates will be invited to the current year's ceremony if the Intent to Graduate form is received before February 15th. Intentions received after that date will be invited to the next year's ceremony. Your diploma will be mailed out at the end of the semester that you are awarded your degree, regardless of ceremony participation. See also "Commencement Ceremony".

Placement Testing and College Readiness

All students can obtain proper course placement in English and math and meet other course pre-requisites by submitting any of the college readiness indicators (scores from ACT, SAT, GED®, or HiSet, placement test scores, high school unweighted GPA, previous coursework, or successful completion of a High School Transition course).

For a complete list of multiple measures accepted to demonstrate college readiness visit www.waubonsee.edu/placement.

All new full-time students are required to fulfill placement in English, reading, and math. Visit www.waubonsee.edu/placement for details.

If identified through the assessment process, students are required to enroll in classes designed to enhance skill levels before they are allowed to enroll in the next higher level class.

President's List

Students who achieve a 4.0 semester grade point average while enrolled in six or more credit hours are honored by placement on the President's List (fall, spring, and summer semesters). See also "Grades."

Probation, Academic

All students who earn a semester grade point average below 2.0 are automatically placed on academic probation. Students remain on probation until their cumulative grade point average is equal to 2.0 or higher. There are three progressive stages of academic probation: (1) academic caution, (2) academic warning, and (3) academic restriction. A registration hold is placed at each stage until the student completes the prescribed intervention. Students avoid progressing to the next stage of academic probation if they earn a semester GPA of 2.0 or above.

Contact: *Academic and Career Advising,
Student Center, Second Floor, ext. 2361*

Probation, Financial Aid

For the purpose of maintaining financial aid eligibility, a student is evaluated for academic progress following each regular semester attended. Academic progress is based on the completion rate, grade point average, and time frame requirements outlined in the financial aid policy. If the GPA requirement is not met for two semesters the student will go to a Fail Status and will lose eligibility. If the student attempts 12 or more credits and earns 0 credits in any semester and the completion requirement is not met for two semesters the student will go to a fail status and will lose eligibility. If the student submits an appeal that is approved, the student will be placed on probation.

Refunds and Student Account Appeals

Tuition refunds are issued based on the official date of a course drop or withdrawal. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript. Students should review the Registration, Refund, and Withdrawal dates, which are located on the Waubonsee website and the Student Handbook.

Drops and withdrawals made online are effective when the transaction is complete. Drops and withdrawals submitted by mail or fax are effective according to the postmark date of the mailed Change of Enrollment form or the fax date and time. Full refund of tuition and fees is granted if the college cancels a course.

Tuition Refunds Due to Hardship:

The college recognizes that students may face hardship or other extenuating circumstances that may hinder attendance and/or academic performance. These circumstances may sometimes lead students to consider withdrawing from classes. Students are encouraged to discuss the impact of withdrawing from courses with their advisor before making any registration adjustments. Please note that the Emergency Needs Scholarship Fund is available to assist currently enrolled students who experience an unusual or unexpected emergency.

Students who decide to withdraw from courses because of hardship may request a refund by submitting the Student Account Appeal along with supporting documentation. A PDF Student Account Appeal Form is available if students are unable to access the online form. The submission of this form does not automatically result in a refund. The Student Account Appeals Committee will review all appeals. Students are notified of the decision through their Waubonsee email.

Please note: students should have withdrawn from courses prior to the submission of the appeal. If it's beyond the withdrawal deadline, students may contact their instructor to request a W notation in place of a final grade.

Types of hardships shall include but are not limited to:

- Student health-related circumstances (includes a serious injury/illness, mental health condition, chronic illness, etc.)
- Health-related circumstances of an immediate family member where the student is a part-time or full-time caretaker
- Death of an immediate family member (parent, child, spouse/partner, sibling, or grandparent)
- Military Deployment
- Sudden or consistent lack of transportation
- A significant cost of living increase

The college reserves the right to make the final decision on all refunds. If you have a question in regard to refund policies, please contact the Student Accounts and Cashier Office.

Transferring Credit from Waubonsee (Transfer Advising and Planning)

To make the most of your time at Waubonsee, meet with Academic and Career Advising to discuss all the options available to you. Effective planning can help you transfer your credit to the four-year college or university of your choice.

Transfer Degree Curriculum

The Associate in Arts (AA), Associate in Science (AS), Associate in Engineering Science (AES), and Associate in Fine Arts (AFA) degrees are intended for students planning to transfer to a four-year college or university for a baccalaureate degree.

These associate degrees are designed to transfer to a four-year institution. However, since requirements can vary from one university to another, it is recommended that all students create an educational plan with a Waubonsee counselor or advisor. Courses taken at other colleges and/or universities are evaluated upon request. See “Transferring Credit to Waubonsee” in the next section.

The courses students take at Waubonsee Community College are those normally taken during the first two years of the baccalaureate degree. Students can complete Waubonsee’s degree requirements and be in a favorable position to transfer to the four-year college or university of their choice. Most universities and senior colleges award junior standing to students with an Associate in Arts, Science, Engineering Science, or Fine Arts degree. See www.waubonsee.edu/transferring for more information.

Transfer Agreement

Waubonsee Community College participates in agreements with most state universities in Illinois that state: “A transfer student in good standing who has completed an associate degree based on baccalaureate-oriented sequences from an Illinois community college shall be considered: A) to have attained ‘junior’ standing; and B) to have met lower division general education requirements of senior institutions.” The Transfer Agreement applies to general education requirements, and if, while at Waubonsee, students have not taken lower division courses included in their major field requirements, they will be required to do so by the senior institution.

Illinois Articulation Initiative

Waubonsee Community College participates in the Illinois Articulation Initiative (IAI), a major, statewide, cooperative agreement among participating Illinois colleges and universities to facilitate the successful transfer of course credits from one participating institution to another, effective beginning summer 1998. The IAI defines a general education core curriculum, and Waubonsee's transfer curriculum for the Associate in Arts (AA) and Associate in Science (AS) degrees conforms to it. Students who follow the prescribed curriculum can be assured that the credits satisfy general education requirements at participating Illinois colleges and universities.

Since individual colleges and universities determine which course credits earned prior to summer 1998 will transfer, students should contact Academic and Career Advising at Waubonsee to discuss their particular circumstances.

Waubonsee does not guarantee that the letter grade earned in the Waubonsee course will be considered by the receiving university in determining the student's grade point average, honors, or for other purposes, but only that the receiving university gives course credit for some purpose. The guarantee does not provide for the refund of tuition for any other course(s), any fees or any incidental or consequential expenses or claims whatsoever, but only for refund of tuition for the guaranteed course(s) for which course credit is not given by the receiving university.

Students' rights under the guarantee are personal and may not be assigned or transferred, voluntarily or involuntarily. Further, no refund is required or is made if the scholarship, financial aid program, loan or other source used to pay the tuition prohibits payment or reimbursement of tuition directly to the students.

For further information concerning this program, contact the Provost.

Transferring Credit to Waubonsee

Students who have attended and earned credit at previous colleges or universities would follow the same enrollment process as new students and would arrange to have official transcripts sent to Registration and Records to be evaluated for transfer credit.

The Registration and Records office will evaluate prior coursework and post applicable transfer credit as transcripts come in. Students will receive an email from transfercredit@waubonsee.edu after each transcript has been evaluated. *Please note, the evaluation can take up to four weeks.*

Information and Regulations

Credits to be considered for transfer must have been earned at a post-secondary institution accredited by the Higher Learning Commission or other regionally accrediting agency with an earned grade of “D” or better in the course(s) involved.

A maximum of 45 credit hours from transfer and/or prior learning assessment can be applied to a degree. For certificate programs, the maximum amount of transfer and/or prior learning assessment credit hours that can be applied is one-half of the required credits. Transfer credit and credit for prior learning assessment do not apply to the College’s credit hour residency requirement, nor does it count in the grade point average. Credit will not be granted if a student has previously earned credit for an equivalent course at Waubonsee.

Transcripts from foreign colleges and universities must first be reviewed by a foreign educational credentials service recognized by the National Association of Credential Evaluation Services (NACES).

Tuition and Fees

Estimated tuition and fees noted in the catalog and the schedules are subject to change. Check with Registration and Records or the Student Accounts and Cashier Office for the current tuition and fees. Students expecting to receive financial aid should contact the Financial Aid Office at (630) 466-5774.

Arrange for Payment

To hold your classes, you must make one of the following tuition payment arrangements within one week of your registration:

- Pay in full (required for less than \$200) or
- Enroll in an interest-free payment plan or
- Provide a verified source (financial aid, scholarships, veterans, or employer/3rd party)

Note: Any prior balance must be paid in full prior to registration.

What are the Payment Options?

- **FULL PAYMENT:** Students may pay the balance in full with no additional fees (total tuition and fees less than \$200 require full payment).
- **PAYMENT PLAN:** Each semester, payment plan options are available. A \$25 nonrefundable set-up fee is charged for each semester you choose to enroll in a payment plan. See www.waubonsee.edu/paying for more information.
- **VERIFIED SOURCES:** Verified sources are listed below. When your tuition and fees are being paid for by another organization or entity, that organization or entity is referred to as a verified source. If your verified source cannot be applied to your account by the payment arrangement date, you can enroll in a payment plan while you wait for the funds to come through.

Financial Aid:

1. Financial aid awarded and accepted by the payment arrangement due date will hold your classes.
2. Financial aid not awarded and accepted by the payment arrangement due date requires the student to enroll in a payment plan.

Scholarships:

1. Waubonsee Foundation scholarships, if eligible, are viewable in the Financial Aid portal and will apply to your student account after classes begin. You are responsible for the remaining balance, if any.
2. Waubonsee Gustafson and Athletic scholarships, if eligible, will apply to your student account the day after you register and will hold your classes. You are responsible for the remaining balance, if any.
3. Private scholarships payments must be received by the payment arrangement date to hold your classes. You are responsible for the remaining balance, if any.

**Veterans Affairs (VA) Benefit Recipients
(CH30, CH31, CH33, CH35, or CH1606):**

With the submission of a Veterans Enrollment Certification Request (VECR) prior to registering, classes will be held, and any funds received from the Department of Veterans Affairs (VA) for CH31 or CH33 will be credited to the student's account. The college will not impose a penalty or require the beneficiary to borrow additional funds to pay their balance before benefits have been received. Use the search bar in mywcc to locate the VECR form.

Employer/Third Party Payments:

If a student's employer or third party is paying for your classes and should be billed directly, a letter/voucher from the company is required by the payment arrangement date to hold your classes.

How to Pay

Waubonsee accepts full and partial payments in cash, electronic check*, bank debit, credit/debit card or digital wallet (VISA, MasterCard, Discover, American Express, Google Pay, Samsung Pay, or Apple Pay). Payments can be made:

- online at mywcc.waubonsee.edu/pay through the Student Account Suite;
- in Person:

Sugar Grove, IL 60554-9454***

- Authorized User: Students who have parents, employers or other third party's make a payment on their account, must first set them up as an authorized user in the Student Account Suite through mywcc. The assignment does not give the authorized user the ability to access the student's confidential academic history.

**Waubonsee processes checks electronically. When students provide a check as payment, they authorize the college to use information from their check to make a one-time electronic fund transfer from their account. There will be a \$25 fee for any insufficient funds/declined checks. For questions call (630) 466-5705.*

What If I Don't Pay?

Waubonsee will drop students from courses if payment arrangements are not made according to the payment arrangement due date schedule. Please note that payment is even required during college holidays and breaks.

Students must officially drop/withdraw from each course they do not plan to attend. A drop for non-payment will not occur if a payment arrangement has been received for the semester.

Any unpaid balance on the student account will prevent registration for additional courses. Student accounts with unpaid balances are subject to the collection procedures of the college and a \$25 delinquent fee.

Tutoring Centers

The Tutoring Center offers students a wide variety of resources and opportunities for success. All of the services provided are free to Waubonsee students. Meeting with a tutor or academic coach is easy—you can meet either in person or virtually, with or without an appointment! All scheduling information can be found at www.waubonsee.edu/tutoring.

Tutors: Our tutors can assist you in more than 200 of the courses offered at Waubonsee, all within more than 20 subjects. These subjects include Math, Biology, Chemistry, Computer Information Systems, and Writing Across the College.

Academic Coaches: Navigating college can be tricky, especially when it comes to time management, note taking, study skills, and keeping up your momentum. Many students work with academic coaches to hone those skills and become more successful on their academic journey.

Embedded Services (formally known as the Navigator Program):

Certain courses can be historically more difficult than others for students. We offer embedded services—an academic coach or tutor goes through the class with you and supports you. Check with your instructor to see whether or not you have an embedded tutor or coach in your class!

Supplemental Instruction: Students who have excelled in their classes may be chosen to be a Supplemental Instruction (SI) Leader. SI Leaders are in the classes with you, going through all of the same material. They host sessions where they reinforce the material you just covered, and they give you tools to be more successful in that class.

Tutor.com: If none of our options work for your schedule, there's Tutor.com! Tutor.com is a 24/7 online tutoring service offered for free to students. Students access Tutor.com through their Canvas shells. Tutor.com has tutors for more than 250 subjects, academic coaching, and test prep, including TEAS. This credit is referred to as VALEES articulated credit and enables students to receive advanced placement in college, to save time and money, and to avoid duplication of material already learned in high school. Students must earn an A or B in the high school course and apply for credit within two years of high school graduation. Visit www.valees.org for a complete listing of approved articulated courses. Withdrawals

Administrative Withdrawal

Waubonsee Community College reserves the right to administratively drop or withdraw those students

- who are not actively attending or pursuing course objectives as established by their instructors,
- who are enrolled in courses not consistent with placement testing and course prerequisites,
- who fail to pay their tuition and fees, or
- who receive sanctions from the Student Conduct Board. Call Dean for Student Engagement for more information (see directory).

See “Code of Student Conduct,” page 135.

Student-Initiated Drop or Withdrawal

Students are responsible for dropping or withdrawing from a course by the deadline dates. Students can drop a course until the refund deadline for the course. When a course drop occurs, tuition and fees are refunded to the student account and the course is not recorded on the academic transcript. After the refund deadline, students are able to withdraw from a course until the withdrawal deadline. When a course withdrawal occurs, tuition and fees are not refunded to the student account and a withdrawal notation will be recorded on the academic transcript.

Students should review the Registration, Refund, and Withdrawal dates, which are located on the Waubonsee website and the Student Handbook. Students who fail to properly drop or withdraw from a course may receive a failing grade of F for the course.

Students should consult with an Academic and Career Advisor before dropping or withdrawing from a class to determine the best course of action for their situation. Students receiving financial aid should also consult with the Financial Aid Office, as drops and withdrawals can impact financial aid eligibility.

Withdrawals and Financial Aid

Federal regulations require students to maintain a minimum completion rate (see Standards of Academic Progress in the catalog) to retain eligibility. Withdrawing from a course(s) or failure to earn credit hours in a course(s) will lower your completion rate. Withdrawing from all courses or failure to successfully complete all course(s) may require you to pay back the financial aid you may have received. Consultation with an Academic and Career Advisor is highly recommended before withdrawing.

- ***Withdrawing from some but not all courses.***

If the courses remaining in the student's schedule total less than 6 credit hours, the student is not loan eligible. Student loans require a minimum of 6 credit hours at the time of disbursement.

- ***Withdrawing from all courses.***

Withdrawing from all coursework could result in a reduction to federal student aid already released or pending for the affected period. Federal regulations require that students "earn" their financial aid by attending or participating in class. The amount of financial aid eligibility earned is determined by the amount of time (measured in days) the student participated in class divided by the total number of days in the payment period. Students who earned 60% or less of their financial aid will have a reduction in financial aid eligibility. This reduction in financial aid could result in the student owing institutional charges, and if the withdrawal occurred after the financial aid was disbursed, a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.

- ***Failure to successfully complete courses.***

Students who do not complete at least one course with a final grade of A, B, C, or D are considered unofficial withdrawals. Last dates of attendance are reported by instructors for students whose final grades are Fs or Ws. The last dates of attendance are used to determine the percentage of federal financial aid that has been earned. The amount of financial aid eligibility earned is determined by the amount of time (measured in days) the student participated in class divided by the total number of days in the payment period. Students who earned 60% or less of their financial aid will have a reduction in financial aid eligibility. This reduction in financial aid could result in the student owing institutional charges and a repayment of all or part of any refund that was based on the original Pell Grant or Direct Loan amounts.

Withdrawn students will receive a notation on their official transcript that reflects that the withdrawal is due to military service. CODE OF STUDENT CONDUCT

Introduction

Waubonsee Community College strives to create a community climate where learning can flourish and all students feel welcome and respected. Toward this aspiration and in accordance with the mission of the College it is an expectation that students, and their guests, will govern themselves in terms of appropriate behavior with an emphasis on self-respect, integrity, and respect for others. Waubonsee Community College prohibits all forms of violence on the campus, including but not limited to, sexual assault, domestic violence, dating violence, stalking, or interpersonal violence (e.g. fights). This Code of Student Conduct outlines the expectations and procedures for redressing conduct of students and student organizations that fail to abide to these standards. It is the practice of Waubonsee to respect the properly exercised rights of its students. The College recognizes a student's rights within the institution to freedom of speech, inquiry and assembly; to the peaceful pursuit of an education; and to the reasonable use of services and facilities of the college.

In essence, the Code of Student Conduct serves as a guide to control actions that go beyond the exercise of such rights, to maintain order on campus, and to guarantee the broadest range of freedom for all who learn at Waubonsee. Specifically, the Code describes what constitutes as misconduct, lists the process and procedures that will be used in response to such misconduct, provides the sanctions that may be imposed, and informs students of the appeal process.

Waubonsee Community College encourages the reporting of sexual misconduct and seeks to remove any barriers to an individual/group making a report. Therefore, an individual who reports sexual misconduct will not be subject to disciplinary action for violations of alcohol or drug use at or near the time of the incident, as long as these violations did not put the health or safety of any other person at risk. Amnesty may not be granted for other violations of college policy other than alcohol and drug use and does not preclude or prevent action by police or other legal authorities.

Each student is responsible for knowledge of and compliance with this Code of Student Conduct, which is available through the Student Life Office (Student Center, Room 126), from the Dean for Student Engagement (Student Center, Room 103), or from the Counseling, Advising and Transfer Center (Student Center, Room 262). The Code of Student Conduct may be found in the Student Handbook or can be accessed online via www.waubonsee.edu/student-handbook.

136 Rules and Regulations

The college further recognizes each student's and student organization's right to procedural due process, including notice, an opportunity to respond to the allegations, and an appeal process. Any student cited for violation of the Code of Student Conduct will:

1. Receive written notice of the alleged violation. The notice will include
 - a. the specific code violations; and
 - b. reference to the process and rights of students as indicated in the code.
2. Be provided an opportunity to respond to the charges before the Dean for Student Engagement and/or the Student Conduct Board. A hearing before the Dean for Student Engagement or the Student Conduct Board is not a formal legal proceeding. Guidelines are presented in Section (III)(A)(4).
3. Be provided an opportunity to appeal the decision.

Students wishing to discuss the alleged violation before the hearing occurs should contact the Dean for Student Engagement (Student Center, Room 103; (630) 466-6686).

4. Proceedings will be conducted by a Student Conduct Board according to the following guidelines:
 - a. proceedings will be conducted in private unless otherwise mutually agreed to by the responding party and the chairperson of the Student Conduct Board;
 - b. admission of any person to the proceeding will be at the discretion of the Student Conduct Board;
 - c. in proceedings involving more than one responding party, the chairperson of the Student Conduct Board, at their discretion, may permit the proceedings concerning each responding party to be conducted separately;
 - d. the reporting party and the responding party have the right to be assisted by one advisor they choose, at their own expense. The advisor may be anyone, such as parent, friend, faculty, or attorney. The student is responsible for presenting their own case and, therefore, while an advisor may be present, they are not permitted to speak or to participate directly in any proceeding before a Student Conduct Board, nor will they be permitted to cross examine witnesses;

- e. the reporting party, the responding party and the Dean for Student Engagement will have the privilege of presenting witnesses;
 - f. pertinent records, exhibits and written statements may be accepted and/or requested by the Student Conduct Board at the discretion of the chairperson;
 - g. all questions are to be directed to and disseminated by the person designated as chair of the Student Conduct Board in their sole discretion;
 - h. after the proceedings, the Student Conduct Board will collectively determine, using a standard of preponderance of the evidence, whether or not the responding party is found responsible for violating the Code of Student Conduct.
 - (1) If the Student Conduct Board determines that a responding party has violated the Code of Student Conduct, the Student Conduct Board will collectively determine the sanction(s) to be imposed. Following the proceedings, the chair of the Student Conduct Board will forward its written decision to the Dean for Student Engagement.
 - (2) The Dean for Student Engagement shall render the written decision within ten (10) college days of the proceedings. A decision will be made of any code violation whether the responding party is present or not at the proceedings. The Board, at its sole discretion, may grant a continuance of the proceedings when specifically requested by the responding party.
5. No responding party may be found to have violated the Code of Student Conduct solely because the responding party failed to cooperate in the investigation or failed to appear before the Student Conduct Board. However, evidence of the accused student's failure to cooperate in the investigation or failure to appear before the Student Conduct Board may be taken into consideration by the Student Conduct Board, along with other evidence, in reaching a decision concerning the charges. In all cases, the facts in support of the charges will be presented and considered whether or not the accused student is in attendance.
6. An responding party against whom disciplinary charges are pending will not be permitted to withdraw from the college with a clear record until such charges have been resolved.
7. When a responding party is found not responsible for violating the Code of Student Conduct, a written statement to the

responding party will be issued that no violation of a college regulation has been determined.

8. All Student Conduct Board decisions are effective upon notification to the student by certified mail, email or hand delivery.

B. Sanctions

1. The following sanctions may be imposed upon any student found responsible for violating the Code of Student Conduct. All sanctions will be issued in writing.
 - a. **Warning** – a notice in writing to the student that the student is violating or has violated institutional rules, policies and/or regulations.
 - b. **Probation** – a reprimand for violation of specified rules, policies and/or regulations.  - c. **Loss of Privileges** – denial of specified privileges for a designated period of time.
 - d. **Restitution** - compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

The student is not allowed to attend classes, be on college premises including off-campus instructional sites, and is not allowed to participate in college activities or other privileges for which the student might otherwise be eligible.
- (1) Reconsideration of expulsion – after an expulsion has become final, the former student may submit a written petition to the Dean for Student Engagement requesting reinstatement. Repeat petitions will not be considered until at least one (1) year has passed since the previous filing for reinstatement.
 - (2) The petition for reinstatement should list reasons why a former student deserves to be readmitted. These reasons must extend beyond the arguments that the decision of expulsion was inappropriate, unless new information becomes available that exonerates the individual. These reasons should be why the student believes they should be given the opportunity to further pursue their education at Waubensee.

The Dean for Student Engagement will chair hearing committee. The committee may interview the former student and ask for additional information in the evaluation of the petition.

 2. Students may be directed to participate in counseling or educational seminars in lieu of, or in addition to, the imposition of sanctions.
 3. More than one of the sanctions listed above may be imposed for any single violation.
 4. Disciplinary sanctions other than academic sanctions will not be made part of the student's permanent academic record, but will become part of the student's confidential record maintained by the Dean for Student Engagement. 2. During the interim suspension, students will be denied access to the campus (including classes), to off-campus instructional sites, and/or to all other college activities or privileges for which the student might otherwise be eligible, as the Dean for Student Engagement determines appropriate.

D. Appeals

A decision reached or a sanction imposed by the Student Conduct Board may be appealed in writing. The Assistant Provost of Student Services shall render a decision within ten (10) college days after receipt of the appeal.

1. An appeal will be limited to a procedural review except when substantive evidence is presented or when the decision involves suspension or expulsion.
2. The Dean for Student Engagement will perform a content review of all decisions involving suspension and expulsion and furnish recommendations as warranted to Assistant Provost of Student Services.
3. Review of the case by the Assistant Provost of Student Services may not result in more severe sanctions for the accused students.
4. The decision of the Assistant Provost of Student Services shall be final.

V. Interpretation and Revision

- A. Any question of interpretation regarding the Code of Student Conduct will be referred to the Dean for Student Engagement for final determination.

STUDENT COMPLAINTS

Waubonsee Community College values student feedback and aims to amicably resolve student issues and concerns. First, and when appropriate, attempts should be made to resolve the issue informally with the faculty or staff member directly. If they cannot be resolved with that individual then students should go to the supervisor/manager or the appropriate instructional assistant dean or dean. If matters still cannot be resolved informally they should be elevated and reported through the formal complaint process described below.

Filing a Report

Students wishing to submit a formal complaint about a college policy, practice, or personnel issue should use the following report form found at www.waubonsee.edu/report. If the complaint is specific to Title IX (sexual misconduct), Discrimination or Harassment, or a complaint regarding a 504 grievance (disability accommodation) please use the form listed on that same page.

Report Intake

The Assistant Provost of Student Services will register all formal complaints, assess the complaint and identify the appropriate person(s) to assist in resolving the complaint. To file a complaint verbally you can schedule a meeting or phone call with the Assistant Provost of Student Services by calling (630) 466-2349.

Only complaints submitted through this process will be registered as formal complaints. All formal complaints will be responded to within 10 college business days. The AP of Student Services will attempt to resolve the complaint within 30 business days, although some complaints may require more time. The AP of Student Services will respond in writing (via student email) the decision to resolve the complaint.

Resolution

Some formal complaints may not be resolved to the satisfaction of the student. If a student does not believe the complaint resolution was appropriate or there was an issue of bias in the process, they can contact the Provost to review the handling of the complaint. The Provost will review all materials and may request additional information from the student before making a final decision. Should the Provost not grant the appeal, students can move their formal complaint to the Illinois Community College Board (ICCB), which an accessible link is on Waubonsee's reporting information page www.waubonsee.edu/report.

For questions regarding this student complaint process, please contact the Assistant Provost of Student Services at (630) 466-2349.

WAUBONSEE COMMUNITY COLLEGE PLAGIARISM STATEMENT

Plagiarism, using your own or another person's published or unpublished work by paraphrase or direct quotation without full and clear acknowledgment, is a serious breach of academic integrity, and is considered a breach of the Code of Student Conduct. The college expects that students will submit their original work, in their own words, representing their own ideas and judgments. Students will appropriately cite and document ideas, words and works used. Penalties for plagiarism will be determined by the instructor, the Dean for Student Engagement and/or the Student Conduct Board as the situation warrants.

What is plagiarism?

Plagiarism is more than the theft of mere words: plagiarism involves ideas, theories, insights, work products, projects and images—all collectively termed intellectual property. Authors, scientists, and artists own their intellectual property, so any use of this property without credit is the equivalent of theft. [Refer to Section (I)(B)(1)(b) in Code of Student Conduct.]

Examples of plagiarism include:

- Handing in a paper or assignment (in part or in whole) written by someone else
- Incorporating information from a book or article without documenting the source
- Incorporating information from an electronic source (website, listserv, etc.) without documenting the source
- Submitting a paper, assignment, or project that was purchased and representing it as your own work
- Inaccurate or incomplete documentation of the source of any information

What is not plagiarism?

The learning process often calls upon students to work collaboratively or seek outside assistance—such work does not fall within the bounds of plagiarism.

Examples of work that is **not** plagiarism include:

- Working on a group project
- Seeking assistance from the Writing Assistance Center
- Asking another student to read over your work and offer their opinion
- Consulting with an instructor on a paper or assignment

Why is plagiarism such a concern?

Plagiarism runs counter to the entire learning process. When a student takes a shortcut to completing an assignment or hands in someone else's work, they have missed the opportunity to learn. This is a rather disingenuous approach to education as well as a breach of academic integrity. Furthermore, students who cheat may find that they have really cheated their own futures, as they may later be called upon to use the very skills and abilities the assignment was designed for them to learn.

Plagiarism is about ownership. Scholars, artists, writers, computer programmers and other professionals make their livings through the articulation of ideas. Through publication they have allowed others access to these ideas but they still own them. Plagiarism robs these individuals not just of their intellectual property but also of their livelihood.

Plagiarism is a form of dishonesty. Students who plagiarize hurt not only themselves but also other students who have done the work honestly. Avoiding the sometimes laborious work of scholarship is not only dishonest, it is also unfair to those who were willing to put in the time and effort necessary.

How can students avoid plagiarism?

There are several ways students can avoid plagiarism.

As you prepare a paper or assignment:

1. Keep careful records of the sources you consult. If you record this information as you work, you will avoid needless searching later on.
2. Familiarize yourself with the instructor's preferred citation and documentation style (MLA, APA, CMS, etc.). If you need additional assistance, Waubonsee offers workshops on research writing and the services of professional tutors in the Tutoring Centers.
3. Learn what falls within the limits of common knowledge. What is considered common knowledge may differ by discipline, but it generally consists of facts and information that are readily available to the public through a variety of sources.
4. When in doubt, cite it! If you are not sure whether or not the information would be considered public knowledge either ask your instructor or cite it to be on the safe side.
5. Place quotes around words that are not your own. Even if you've documented the source at the end of the paper or assignment, you are not done yet. Quotation marks indicate that you are using someone else's language.
6. Be careful when you paraphrase information. Paraphrasing refers to including someone else's information in your own words. Learn what makes for an appropriate paraphrase and remember to cite—even though you may have changed the language, the author still owns the ideas behind the language.

Before you hand in a paper or assignment:

1. Keep copies of drafts, outlines, and any other planning documents you used in preparing course assignments. If any questions arise, you will then have evidence you've done your own work.
2. Double-check your documentation and citation format for accuracy. Read through the paper or assignment asking yourself: Did I know this before I began my research? Would I have expressed this the same way had I not been exposed to the same sources? Is every quote followed by the source? Are paraphrases accurate? Are paraphrases representative of my own language use?

After you hand in a paper or assignment:

1. Keep a dated copy for yourself. In case questions arise, you will have a record of the completed version.
2. Do not allow others to hand in your work as their own. Allowing others to misrepresent your work is also plagiarism and truly undermines the hard work you have put into the learning process.
3. Do not submit the same assignment for another class or recycle the research without first consulting with the instructor.

What are the consequences for plagiarizing?

If a faculty finds that you have cheated or plagiarized, faculty may give a zero grade for the assignment, fail you from the course, and report the Academic Misconduct to the Dean for Student Engagement for further disciplinary action.

It is the policy of Waubonsee Community College to not discriminate, in enrollment or employment, against any individual infected with a communicable disease. The Illinois Department of Public Health and the National Centers for Disease Control and Prevention have specified diseases that are contagious, infectious, communicable and dangerous to the public health. Instances of communicable diseases will be reviewed on a case-by-case basis and reasonable accommodations will be made in compliance with applicable state and federal laws, regulations and rules. The college is committed to protecting the health and general welfare of the students, faculty and staff.

Waubonsee Community College will report to the community on those communicable disease/conditions listed on the nationally notifiable communicable diseases or conditions web page at www.cdc.gov/nndss that is published annually by the Centers for Disease Control and Prevention (CDC).

Employees and students who are infected with a notifiable communicable disease are to report such information to the appropriate designated college official listed below, so the College may respond promptly and appropriately. Failure by employees or students infected with a notifiable communicable disease to report may result in disciplinary action up to and including dismissal.

PROCEDURES FOR STUDENT ASSEMBLIES

Student assemblies are an important part of the college experience and can provide an opportunity for students to present issues in a manner appropriate to the traditions of the academic community. To protect the rights and privileges of all students so they may benefit from the educational opportunities offered by the college, the rules and regulations regarding student assemblies are as follow:

1. Student assemblies, rallies or demonstrations to be conducted on the Waubensee campus require an Event Request Form.
2. Submit the Event Request Form to the Student Life Office at least three weeks prior to the date of the requested assembly so college resources can be coordinated.
3. Follow the stated rules that apply to all scheduled use of the college's facilities by recognized organizations and that have been approved by the board of trustees.
 - a. There may be a charge for non-common space usage, set-up and security.
 - b. Must be conducted in an orderly manner.
 - c. There may be no interference with vehicular or pedestrian traffic on any part of the campus.
 - d. There may be no interference with classes, use of educational or recreational facilities or other functions of the college.
 - e. Demonstrations or conduct of groups and individuals that are beyond the traditional conduct commonly expected in the academic community may not be conducted in the college's buildings.
 - f. Any word, spoken or written, must not be of an obscene or vulgar nature.
 - g. Students not responding to officials of the college in the performance of their office are subjected to sanctions pursuant to the Code of Student Conduct.
4. A copy of this procedure is made available to any student requesting assembly privileges.

NETWORK USER RULES

The following Information Technology Acceptable Usage Agreement relates to the utilization of all forms of technology to further the mission of the College: to provide a quality, accessible, educational experience for a broad array of students and community members.

Information Technology is considered an institutional resource. As such, efficient and effective utilization of various forms of technology taking into account the institution's needs balanced with the interests of individual students and community members, faculty and staff is an institutional priority.

Acceptable Usage Agreement

As part of its educational mission, Waubensee Community College (College or Waubensee) acquires, develops, and maintains computers, computer systems and networks. These computing resources are intended for college-related purposes, including direct and indirect support of the College's instruction, research and service missions; college administrative functions; student and campus life activities; and the free exchange of ideas within the college community and among the College community and the wider local, national and world communities.

This Agreement applies to all users of College computing resources, whether affiliated with the college or not, and to all uses of those resources, whether on campus or from remote locations. Additional procedures may govern specific computers, computer systems or networks provided or operated by specific departments of the college. Consult the managers of the specific computer, computer system, or network that you are interested in for further information. This Agreement may be modified as deemed appropriate by the College. Users are encouraged to periodically review the agreement as posted on the College's website home page.

Rights and Responsibilities

The rights of academic freedom and freedom of expression apply to the use of college computing resources. So too, however, do the responsibilities and limitations associated with those rights. The College supports a campus and computing environment open to the free expression of ideas, including unpopular points of view. However, the use of college computing resources, like the use of other College-provided resources and activities, is subject to the requirements of legal and ethical behavior. Thus, legitimate use of a computer, computer system or network does not extend to whatever is technically possible.

General Rules

Users of College computing resources must comply with federal and state laws, college rules and policies, and the terms of applicable contracts including software licenses while using college computing resources. Examples of applicable laws, rules and policies include the laws of libel, privacy, copyright, trademark, obscenity and child pornography; the Illinois Computer Crime Prevention Law, the Electronic Communications Privacy Act and the Computer Fraud and Abuse Act, which prohibit "hacking," "cracking" and similar activities; the college's Student Code of Conduct; the College's Discrimination and Harassment Policy.

Users who engage in electronic communications with persons in other states or countries or on other systems or networks may also be subject to the laws of those jurisdictions and the rules and policies of those other systems and networks. Users with questions as to how the various laws, rules and resolutions may apply to a particular use of College computing resources should contact the Office of the Chief Information Officer for more information.

Users are responsible for ascertaining what authorizations are necessary and for obtaining them before using college computing resources. Users are responsible for any activity originating from their accounts which they can reasonably be expected to control. Accounts and passwords may not, under any circumstances, be used by persons other than those to whom they have been assigned by the account administrator. In cases when unauthorized use of accounts or resources is detected or suspected, the account owner should change the password and report the incident to the Technical Assistance Center (TAC) at tac@waubonsee.edu or (630) 466-4357.

User may not copy, store, or transmit unencrypted confidential and sensitive data on smart phones, floppy disks, CD/DVDs, PDAs, USB flash drives, non-College-owned/-leased computing devices, or other portable storage or computing devices.

Although there is no set bandwidth, disk space, CPU time or other limit applicable to all uses of College computing resources, the College may require users of those resources to limit or refrain from specific uses if, in the opinion of the system administrator, such use interferes with the efficient operations of the system.

Users may not state or imply that they speak on behalf of the College or use College trademarks and logos without authorization to do so. Authorization to use College trademarks and logos on College computing resources may be granted only by the Office of the Executive Director of Marketing and Communications. The use of appropriate disclaimers is encouraged.

Enforcement

Users who violate this Agreement may be denied access to College computing resources and may be subject to other penalties and disciplinary action, including possible expulsion or dismissal. Alleged violations will be handled through the College disciplinary procedures applicable to the user. The College may suspend, block or restrict access to an account, independent of such procedures, when it reasonably appears necessary to do so in order to protect the integrity, security, or functionality of College or other computing resources or to protect the College from liability. The College may also refer suspected violations of applicable law to appropriate law enforcement agencies.

Security and Privacy

The College employs various measures to protect the security of its computing resources and its user's accounts. Users should be aware, however, that the College cannot guarantee security and confidentiality. Users should therefore engage in "safe computing" practices by establishing appropriate access restrictions for their accounts, guarding their passwords and changing them regularly.

Users should also be aware that their uses of College computing resources are not completely private. While the college does not routinely monitor individual usage of its computing resources, the normal operation and maintenance of the College's computing resources require the backup and caching of data and communications, the logging of activity, the monitoring of general usage patterns and other such activities that are necessary for the provision of service. The College may also specifically monitor the activity and accounts of individual users of College computing resources, including individual login sessions and the content of individual communications, without notice, when:

- The user has voluntarily made them accessible to the public, as by posting to Usenet or a Web page;
- It reasonably appears necessary to do so to protect the integrity, security, or functionality of college or other computing resources or to protect the College from liability;
- There is reasonable cause to believe that the user has violated or is violating this policy;

An account appears to be engaged in unusual or unusually excessive activity; or it is otherwise required or permitted by law.

Any such monitoring of communications, other than what is made accessible by the user, required by law, or necessary to respond to

perceived emergency situations, must be authorized in advance by the Executive Director of Human Resources, or Chief Information Officer consultation with the College General Counsel. The college, in its discretion, may disclose the results of any such general or individual monitoring, including the contents and records of individual communications, to appropriate college personnel or law enforcement agencies and may use those results in appropriate college disciplinary proceedings and/ or criminal charges. Communications made by means of college computing resources are also generally subject to the Illinois Freedom of Information Act to the same extent as they would be if made on paper.

Visitors to Waubonsee websites who are not currently Waubonsee students, faculty or staff should refer to the college's Internet Privacy Policy for privacy information.

Email

For purposes of this document, email includes point-to-point messages, postings to newsgroups and listservs and any electronic messaging involving computers and computer networks. Organizational email accounts, including those used by student organizations, are held to the same standards as those for individual use by members of the Waubonsee community. Email is also generally subject to the Illinois Freedom of Information Act to the same extent as it would be on paper.

mymail, powered by Google, is the official email account for students.

Examples of Inappropriate Uses of Email: While not an exhaustive list, the following uses of email by individuals or departments are considered inappropriate and unacceptable at the Waubonsee Community College. In general, email shall not be used for the initiation or re-transmission of:

- Chain mail that misuses or disrupts resources — Email sent repeatedly from user to user, with requests to send to others;
- Harassing or hate-mail — Any threatening or abusive email sent to individuals or organizations that violates college rules and regulations or the Code of Student Conduct;
- Virus hoaxes;
- Spamming or email bombing attacks — Intentional email transmissions that disrupt normal email service;
- Junk mail — Unsolicited email that is not related to college business and is sent without a reasonable expectation that the recipient would welcome receiving it; and
- False identification — Any actions that defraud another or misrepresent or fail to accurately identify the sender.

Web Pages

Official College pages represent the College and are intended for the official business functions of the College. Each official page, including faculty Web pages, must be built using the College's content management system and registered with the College's Marketing and Communications Department.

Personal Web space for employee pages represents the individual in their primary role as a Waubonsee employee. Incidental personal information on employee pages is deemed acceptable so long as it does not interfere with the function or desired presentation of the department, cause disruption of normal service, incur significant cost to the college or result in excessive use of resources. Faculty and staff who wish to publish substantial personal information not related to their College functions should use an Internet service provider rather than using college Web resources.

Commercial Pages

Using Waubonsee Web pages for personal gain is forbidden. Any private commercial use of Waubonsee Web pages must be pre-approved pursuant to existing College policies and procedures regarding outside employment activities. All Waubonsee departments that accept payments electronically via the Internet are required to process all sales transactions through the Finance Office approved Web payment gateway.

Waubonsee accepts no responsibility for the content of pages or graphics that are linked from Waubonsee pages. However, Web page authors should consider that such links, even when clearly labeled, can be misinterpreted as being associated with the College. Links to pages where you have a personal monetary interest are likely to violate policies regarding advertising and commercial use and must be avoided.

Excessive or Disruptive Use

Excessive or disruptive use of College resources in the viewing or publishing of Web pages is not permitted. Departments owning or administering the resources involved will determine whether specific usage is considered normal, excessive or disruptive.

Retention Periods

Retention periods must be followed for all official College Web pages as required by the Illinois State Records act. Official college Web pages are treated like email and subject to the same guidelines set forth in the Waubonsee email as Public Records Procedure.

Network Infrastructure/Routing

Users must not attempt to implement their own network infrastructure. This includes, but is not limited to basic network devices such as hubs, switches, routers, network firewalls, and wireless access points. Users must not offer alternate methods of access to Waubonsee IT resources such as modems and virtual private networks (VPNs). Users must not offer network infrastructure services such as DHCP and DNS. Exceptions to this requirement must be coordinated with Office of the Chief Information Officer.

Wireless

For the purposes of this document, we refer only to wireless transmission using radio frequency (RF). Wireless is shared media and easily intercepted by a third party. Wireless users are encouraged to use some type of encryption such as WPA2, EAP-TLS, etc.

Improperly configured wireless access points (WAPs) might cause denial of service to legitimate wireless users. WAPs can also be used to subvert security. Wireless access points must be authorized by Office of the Chief Information Officer.

Virtual Private Network (VPN)

A VPN provides secure encrypted access between a client and the VPN server. They are most commonly used for secure access to a trusted network from remote, untrusted networks.

VPN servers must be authorized by Office of the Chief Information Officer.

Campus Citations and Fines

Campus Police issue citations for violations of the college traffic regulations listed in the previous section and for certain other college regulations. Campus Police officers may also issue state traffic citations for serious violations of the Illinois Vehicle Code and make arrests for criminal offenses.

Students receiving a campus citation may submit a written appeal within 14 days of issuance date. Appeal forms are available at the Campus Police Office in Dickson Center, Room 165. If the violator does not appeal the citation within this time frame the right to appeal the citation is waived. State citations are handled in the appropriate traffic court and are not subject to appeal through the College. Students may submit a written appeal to contest a college citation to the Assistant Provost of Student Services in the Student Center, Room 239.

If a college citation is not paid within 28 days from the date of the citation a late fee will be assessed as indicated below.

Parking Citations:

Handicapped Parking Violation	\$250	(Late fee \$10)
Fire lane Violation	\$50	(Late fee \$10)
Other Parking Violation	\$20	(Late fee \$10)

HOWTO GET INTOUCH

Office Hours

See "Hours of Operation" in the front of this handbook for specific departmental hours. During the first week of classes, faculty members provide students with their office hours or other ways to contact them during non-classroom hours. Students may also call the office of the instructor's Dean.

Voice Mail

Students can reach full-time faculty members from any touch-tone phone by dialing the main campus number, (630) 466-7900, followed by the office extension of the faculty member. If the phone is not answered, a message can be left. Voice mail is available 24 hours a day, seven days a week.

Adjunct faculty have voice mail only. To leave them a message from a campus phone, dial 2601 to access the voice mail system. When you hear the auto-attendant answer, dial the four-digit extension you are trying to reach. If, after dialing 2601, you are asked for your security code, press *, wait for the auto-attendant to answer, and then dial the four-digit extension. From off-campus, dial the main switchboard number, (630) 466-7900. When the auto-attendant answers, enter the four-digit mailbox number of the faculty member you are trying to reach. If you do not know the four-digit number, dial 0 for the college information center to connect you or follow the prompts.

Email

All Waubonsee students have their own individual email account, accessible through the mywcc portal (see "ABCs of Waubonsee" section for more information). Using this or any other personal email account, students may email many Waubonsee departments and staff and faculty members. For a directory of email addresses, visit www.waubonsee.edu. Here you can look up an instructor or staff member and instantly connect with them via email, or simply find their address and phone number for future reference.
