

ADDENDUM 2

PROJECT: 07-19-006 AE Services for Student Life Link

BID / TIME DUE: ~~August 14, 2019 at 1:00 p.m.~~ **August 29, 2019 at 1:00 p.m.**

QUESTIONS:

1. I noticed the budget question was answered with \$3.2 Million tentative budget. This number seems very light for a 14,000 SF Link. Is this the building only? Does it include sitework? Soft costs? Contingencies? CM? etc. Please clarify whether this is building only or what the “total project cost” is budgeted.
 - a. This cost was just for a building shell estimate only, not the total project cost.

2. How do we obtain the Revit file of STC and the drawings of Collins?
 - a. Emails were sent to all participants with a link to the Google Doc drive.

This addendum does not change the revised due date or time.
