Appendix A: WCC's STANDARD TERMS AND CONDITIONS

Legal Entity: Waubonsee Community College District 516, commonly known as Waubonsee Community College is described herein as "Buyer" or "WCC".

Seller: The "Seller" means any person, business or entity designated on this purchase order or contracted to provide "Deliverables." Deliverables means the tangible and/or intangible personal property, product, service, software, information technology, telecommunications technology, apparatus, equipment, supplies, repairs, or other goods delivered pursuant to this purchase order, including items incident to the provision of services.

Limitation of Authority: All purchases shall be made in accordance with Illinois law. No officer or employee of WCC not expressly authorized under Illinois law, shall make any purchase on its behalf, or enter into any contract of purchase, verbal or written, for any Deliverable of any kind or description, or accept any of them on approval or otherwise. Seller is directed to applicable Illinois law to verify the authority of any person purportedly signing on behalf of the Legal Entity. The Buyer will not be responsible for articles delivered and/or services performed for its account without a specific written purchase order that has been authorized by the Purchasing Manager.

Governing Law and Limitation of Liability: This Agreement shall be governed and construed in accordance with the law of Illinois without reference to its conflict of laws and/or provisions. It is the intent of the parties that arbitration and mediation shall not be a remedy or prerequisite required by this contract, and any reference to "arbitration" or "mediation" contained in any contract or agreement resulting from the execution of this Purchase Order is void and of no legal effect. The parties waive any right to demand a trial by Jury and agree that the venue for litigation arising from this Purchase Order or any Contract or Agreement entered into subsequent to the execution of this Purchase Order shall be in the Circuit Court for the 16th Judicial Circuit, Kane County, Illinois regardless of the place of business or residence of Seller. The parties agree that this venue is convenient for all of them and each consent to the personal jurisdiction of such court. In the event of any litigation the prevailing party shall have the right to recover its reasonable attorney's fees and costs. WCC shall not be liable to the Seller, or to any subcontractor, regardless of the form of action, for any consequential, incidental, indirect, or special damages, or for any claim or demand based on a release of information, or patent, copyright, or other intellectual property right infringement.

Indemnification: The Seller agrees to hold harmless and indemnify WCC, its officers, agents, trustees and employees, and defend each of them, against any losses, damages, judgments, claims, expenses, costs and liabilities imposed upon or incurred by or asserted against WCC, its officers, agents, trustees or employees, including reasonable attorneys' fees and expenses, arising out of the acts or omissions of Seller, its officers, agents or employees, resulting from or connected with Seller's performance hereunder or failure to comply with any applicable law or regulation.

Bidding: Seller certifies that it is not barred from bidding on agreement/contract as a result of a conviction for either bid rigging or bid rotating under Illinois law. WCC reserves the right to reject any and all bids, and waive any bid irregularities.

Purchases: A purchase order is required for all orders. Seller shall invoice Buyer for the goods at the time of final shipment unless otherwise provided for in this purchase order. Invoices shall show the purchase order number for each separate purchase order number issued. Failure to do so may result in a delay of payment. Packing slip shall be affixed to outside of package(s), listing contents of each package and notating an authorized purchase order number. Shipments without a purchase order will be rejected at the receiving dock.

Warranty:

- 1) Seller warrants that all Deliverables furnished hereunder will be free from defects in design, material, and workmanship, and will conform to applicable specifications, drawings, samples, and descriptions. This warranty is in addition to any warranties available under law, from the manufacturer, or any standard warranty of Seller.
- 2) At the time of delivery, no software shall contain any virus, timer, counter or other limiting design, instruction, or routine that would erase data or programming or cause the software or any hardware or computer system to become inoperable or otherwise incapable of being used in the full manner for which it was designed.
- 3) No Deliverable shall violate or infringe upon the rights of any third party, including, without limitation, any patent, copyright, trademark, trade secret, or other proprietary rights of any kind.
- 4) Seller warrants that it has full title to the Deliverables and has the right to grant to WCC the rights and licenses contemplated herein without the consent of any third party.

Assignment: This purchase order may not be assigned, and no duty or right hereunder may be delegated, or monies payable hereunder, by Seller and Seller may not use any sub-contractor to perform hereunder, without the prior written consent of

- 4) Unless Buyer exercises its right to cancel because of the events described in paragraph (1) above or because of other event or condition caused by or under the control of Seller, Seller may claim:
 - a) Reimbursement for actual out-of-pocket cost incurred by Seller as a result of such cancellation (exclusive of costs for materials that Seller can use on other orders) and
 - b) A reasonable profit on the work performed by Seller prior to cancellation. Such claim must be made within twenty (20) days of the notice of cancellation and the total amount of such claim shall not exceed the purchase price for the completed goods. In the event of cancellation Seller shall deliver to WCC all material and information as may have been involved in the provision of services or Deliverables to the date of termination.

No substitutions of articles or change of any nature shall be made without written authorization from the Buyer.

Inspection, Acceptance and Payment by Buyer: All Deliverables shall be received subject to Buyer's right to inspection and rejection. Those rejected as a result of inspection will be held for Seller's inspection at Seller's risk and, if Seller directs, will be returned at Seller's expense.
