Disclaimer – We provide defensive driving courses for traffic offenders from the 16th and 23rd Judicial Circuits in Illinois: Kane, Kendall and DeKalb Counties. We do not have the capacity to report the completion of defensive driving courses to outside jurisdictions or to the 16th or 23rd Judicial Circuits when student records do not come directly from the court. Responsibility for reporting the completion of a course to an outside court jurisdiction or when we do not receive the record directly from the court rests entirely with the student. Responsibility for whether one of our defensive driving courses will meet with the approval of an outside court jurisdiction also rests entirely with the student; we cannot be held responsible if another court system requires the completion of something other than what we offer in order to successfully complete their court supervision process.
