Commencement Speaker

Brian Olson

**Chief Information Security Officer, North America
Northern Trust Company**

Brian Olson is the Chief Information Security Officer, North America for the Northern Trust Corporation, a \$12.2 trillion global financial services firm. He is responsible for overseeing and managing Northern Trust's cyber and information security programs, including Threat Management, Data Protection, and Identity Management operations.

Brian has over 15 years of experience in information security operations in the defense and financial sectors. He served as the first Head of Cyber Threat Intelligence at Zurich Insurance Group, a Global Fortune 200 Company, where he established a global threat intelligence program.

Prior to Zurich, Brian served as the first Deputy Executive Director (Plans and Policy) for United States Cyber Command, a four-star military command responsible for the operations and defense of the Department of Defense networks. He directly participated in developing national cyber defense policy, including direct support to the Joint Staff, National Security Agency, Defense Science Board, and the White House's National Security Staff.

Brian served in several positions while a commissioned officer in the United States Army primarily focused on communications and intelligence. His service culminated as Commander of the US Army's first Dynamic Cyber Defense Company, a strategic effort to reorganize the Army's cyber defense capabilities.

His awards and decorations include the Bronze Star Medal, Meritorious Service Medal, Joint Service Achievement Medal, and the Iraq Campaign Medal (3 campaign stars). Brian is a graduate of the United States Military Academy at West Point, NY, where he earned a degree in computer science.

Distinguished Alumnus

Tim Buckley, Assistant Coach University of South Carolina Men's Basketball

Tim Buckley graduated with an Associate in Arts in Mass Communication from Waubonsee in 1983. He then transferred to Bemidji State University, where he graduated with a Bachelor of Science in Communications and a Master of Science in Physical Education.

Tim has earned a successful record of accomplishment as a men's basketball coach at eight colleges across the United States. He has served in multiple roles as assistant and head coach for various institutions, including Bemidji State University, the University of Wisconsin, the University of Iowa, Ball State University, and Rockford College. Recently, Tim signed a one-year contract with the University of South Carolina as an assistant coach.

In 2020, Jeff Goodman of Stadium named Tim as one of the top assistant coaches in the Mountain West for his work ethic and commitment to excellence in player development. Tim also served on the Executive Committee for the Mid-American Conference (MAC) and Regional Committees for the National Collegiate Athletic Association (NCAA) Division I and Division III Tournaments.

Distinguished Contributor

Diane D. Homan, M.D. Medical Director Health Care Service Corporation

Dr. Diane Homan joined the Waubonsee Foundation Board of Directors in 2005. She has served as Scholarship Committee Chair since 2010 and, in 2017, became a member of the Nominating and Governance Committee.

As Scholarship Committee Chair, Dr. Homan was instrumental in transforming the scholarship application process from a paper process to a fully digital process. Under Dr. Homan's leadership, the Scholarship Committee also approved the implementation of a second scholarship deadline during the academic year to increase access and remove barriers for students seeking scholarships. Dr. Homan has reviewed thousands of student scholarship applications, each time looking for the opportunity to plant seeds financially for a deserving young person or adult who otherwise may not be able to attend college without the support of the Foundation Scholarship Program.

She is a board-certified physician and serves as the medical director at Health Care Service Corporation (HCSC). Dr. Homan oversees the Blue Cross and Blue Shield (BCBS) Association, which operates BCBS Plans in Illinois, Montana, New Mexico, Oklahoma, and Texas.

The Associate in Arts, Associate in Engineering Science, Associate in Fine Arts, and Associate in Science degrees are designed primarily to transfer to a four-year university, allowing students to continue their work toward a bachelor's degree. The Associate in Applied Science degree is designed for students seeking specialized training in preparation for employment. The Associate in General Studies degree is designed primarily for students who have chosen to pursue a broad general program.

Note: Due to the rigid time requirements for printing, the list of names cannot be considered an official college document nor an official indication of a student's status. Because of these deadlines, certain graduates who walk may not be listed.
