QUESTIONS

1. Can you please confirm that there are no prevailing wages on this contract? On page 5 says no, however towards the end where the certificate is it mentions prevailing wages.
 - a. *This is not a prevailing wage contract.*
2. In the scope of work it mentions that sidewalks are serviced for the Sugar Grove location, however on the pricing sheet that is the only campus that does not have a place to put pricing for sidewalks.
 - a. *DELETE UNIT PRICES PAGE 15 and ADD revised Unit Prices – Page 15 made part of this addendum.*
3. In the RFP it mentions it can be awarded as a whole or in part, will each campus have one service provider? We want to ensure that we will not be on one campus with another provider should we get awarded.
 - a. *Contact could be awarded to multiple contractors, but each campus will be awarded to only one.*
4. Do you guys have an equipment retainer as part of this contract? Would we be able to store material and equipment on the site(s) should we receive an award?
 - a. *No issues with equipment storage at campuses, however only outdoor storage is available. Should you need secured storage you would need to provide your own (e.g. trailer).*
5. Can you provide me with the worksheet you utilize to calculate the low bidder off the unit prices that are provided to you on this RFP?
 - a. *The calculation is based off an average of historical snow totals per campus dating back to the 2015-2016 snow season. Recap blank is attached.*
 - b. *Note: Sugar Grove Campus staff provide plowing services for the SG campus, which is why there are no snow fall amounts shown on the worksheet.*
