# Executive Summary

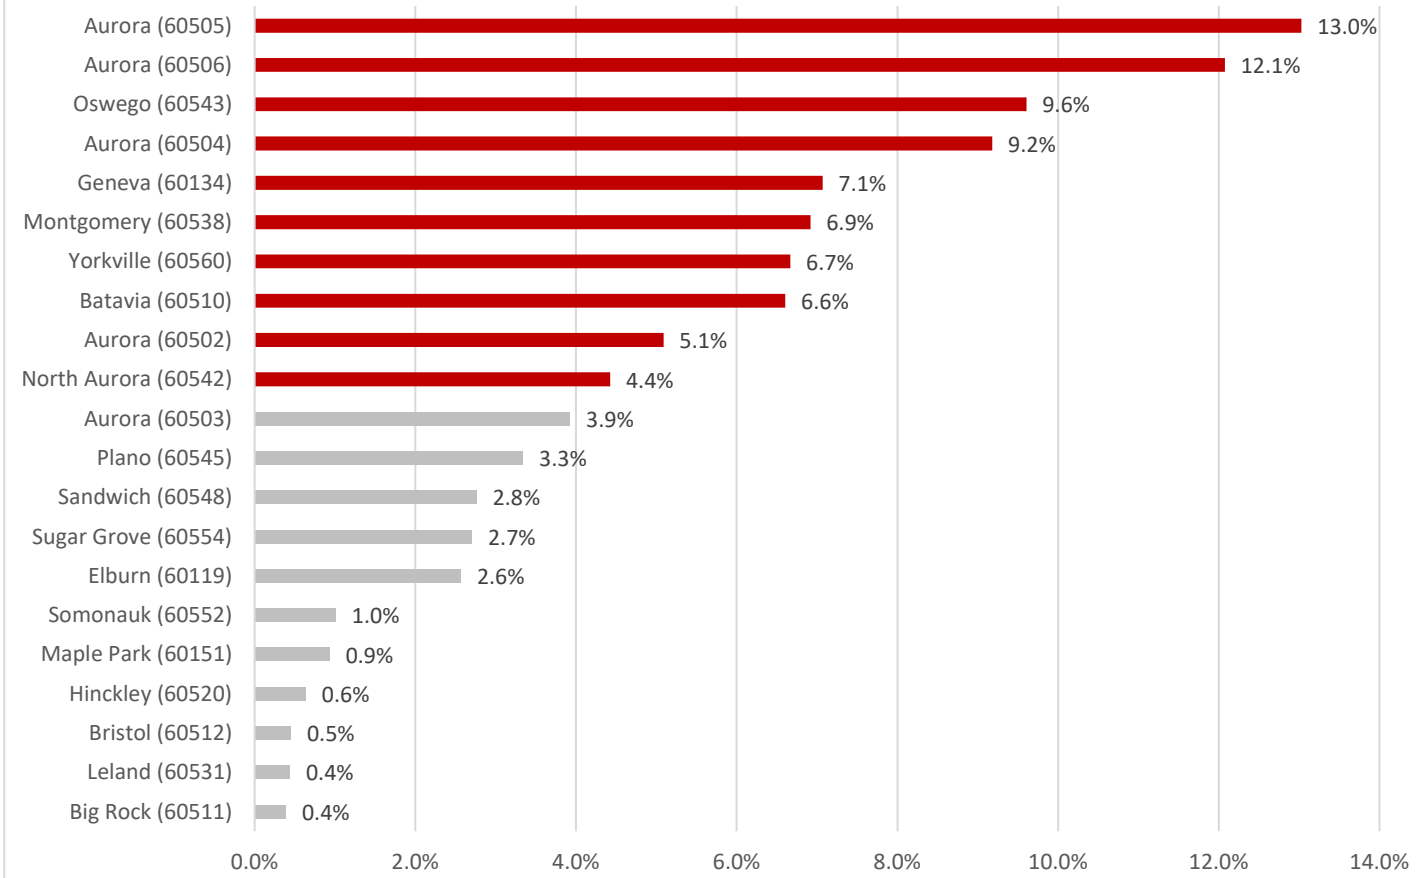

District 516: 2023 Population Density per Square Mile

**Campus Locations Legend**

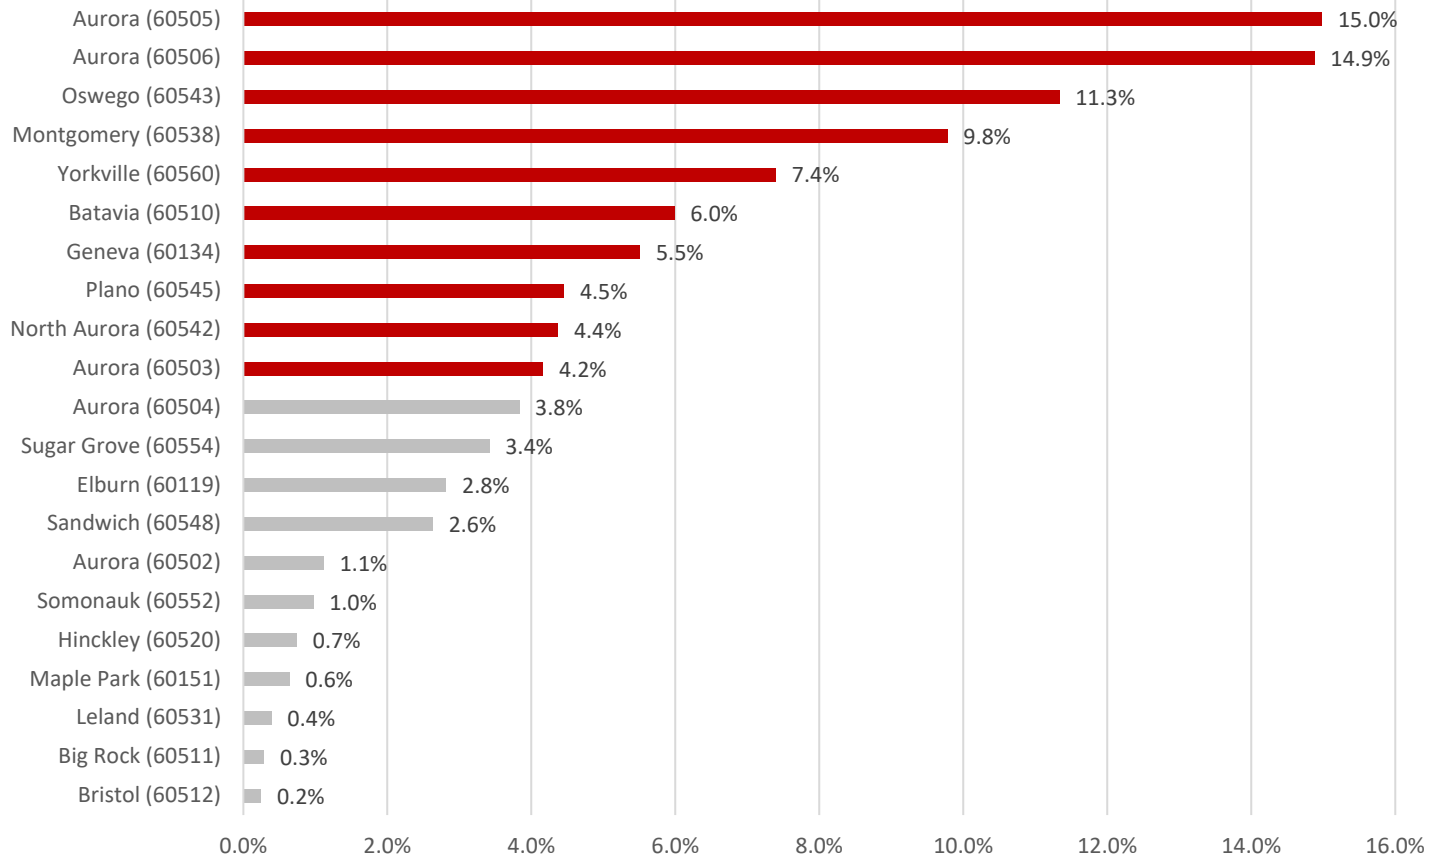

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus
- 3 Aurora Fox Valley Campus
- 4 Plano Campus

**Figure 1: ZIP Code Population as % of Total District Population**

**Figure 1:** Shows ZIP Code population as a proportion of the entire Waubensee district. The 2023 district population estimate was 428,180 people. The 10 most populated communities are shown in red and represent 80.7% of the district total.

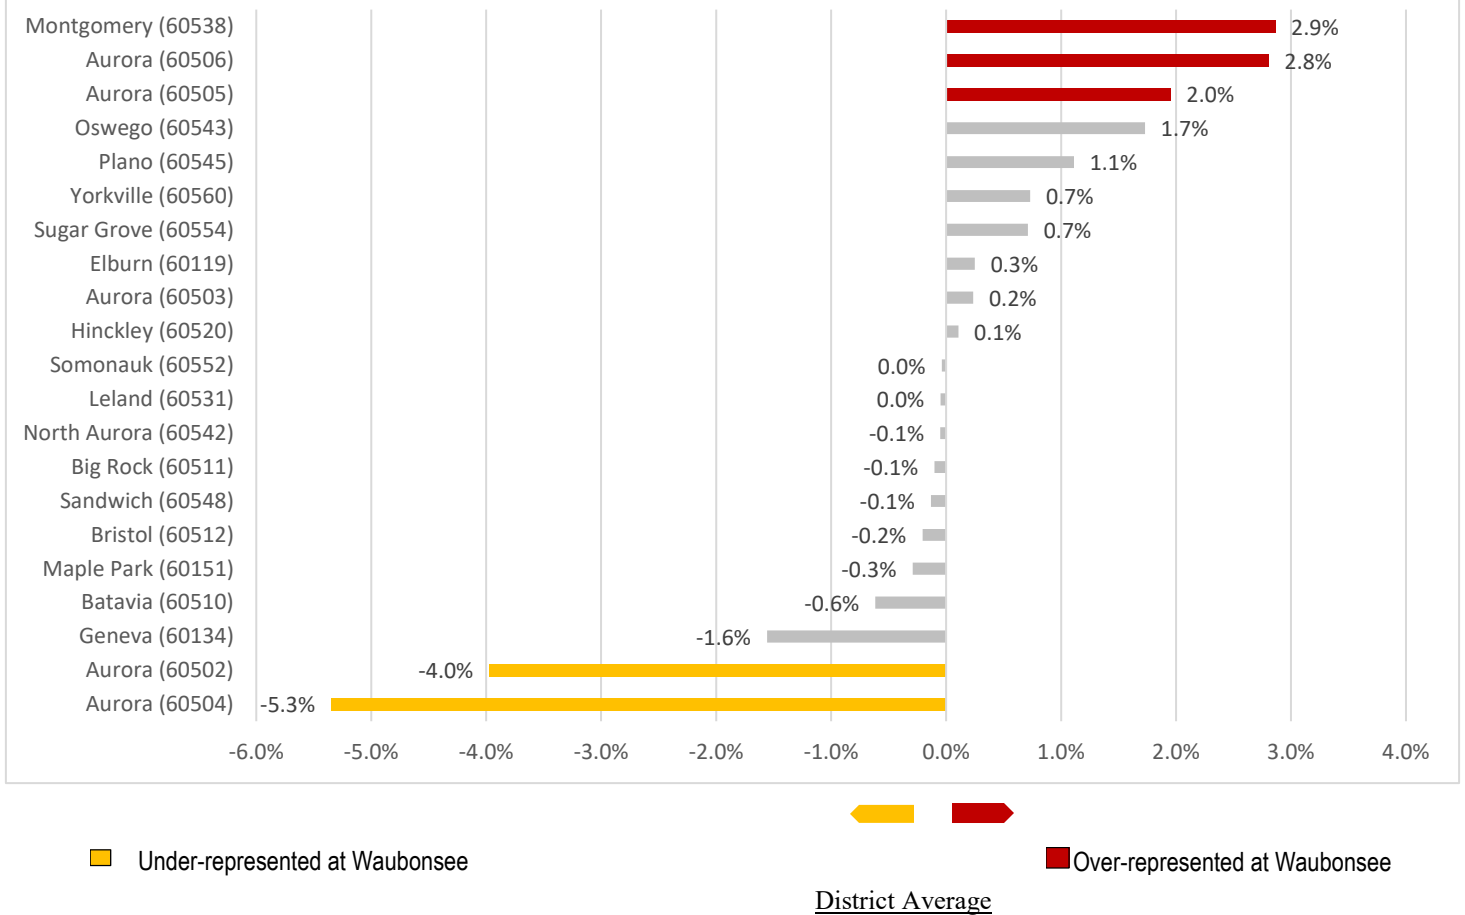

**Figure 2: % of In-District Fall Credit Enrollment by ZIP Code (Fall 2022)**

**Figure 2:** This chart shows the percentage that each ZIP Code makes up of Fall 2022 in-district credit enrollment (excludes noncredit and Adult Education). As you can see, Figures 1 and 2 are similar, but not the same.

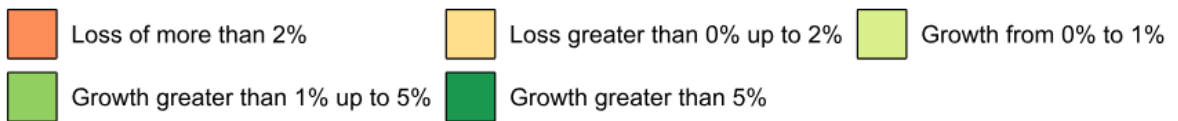

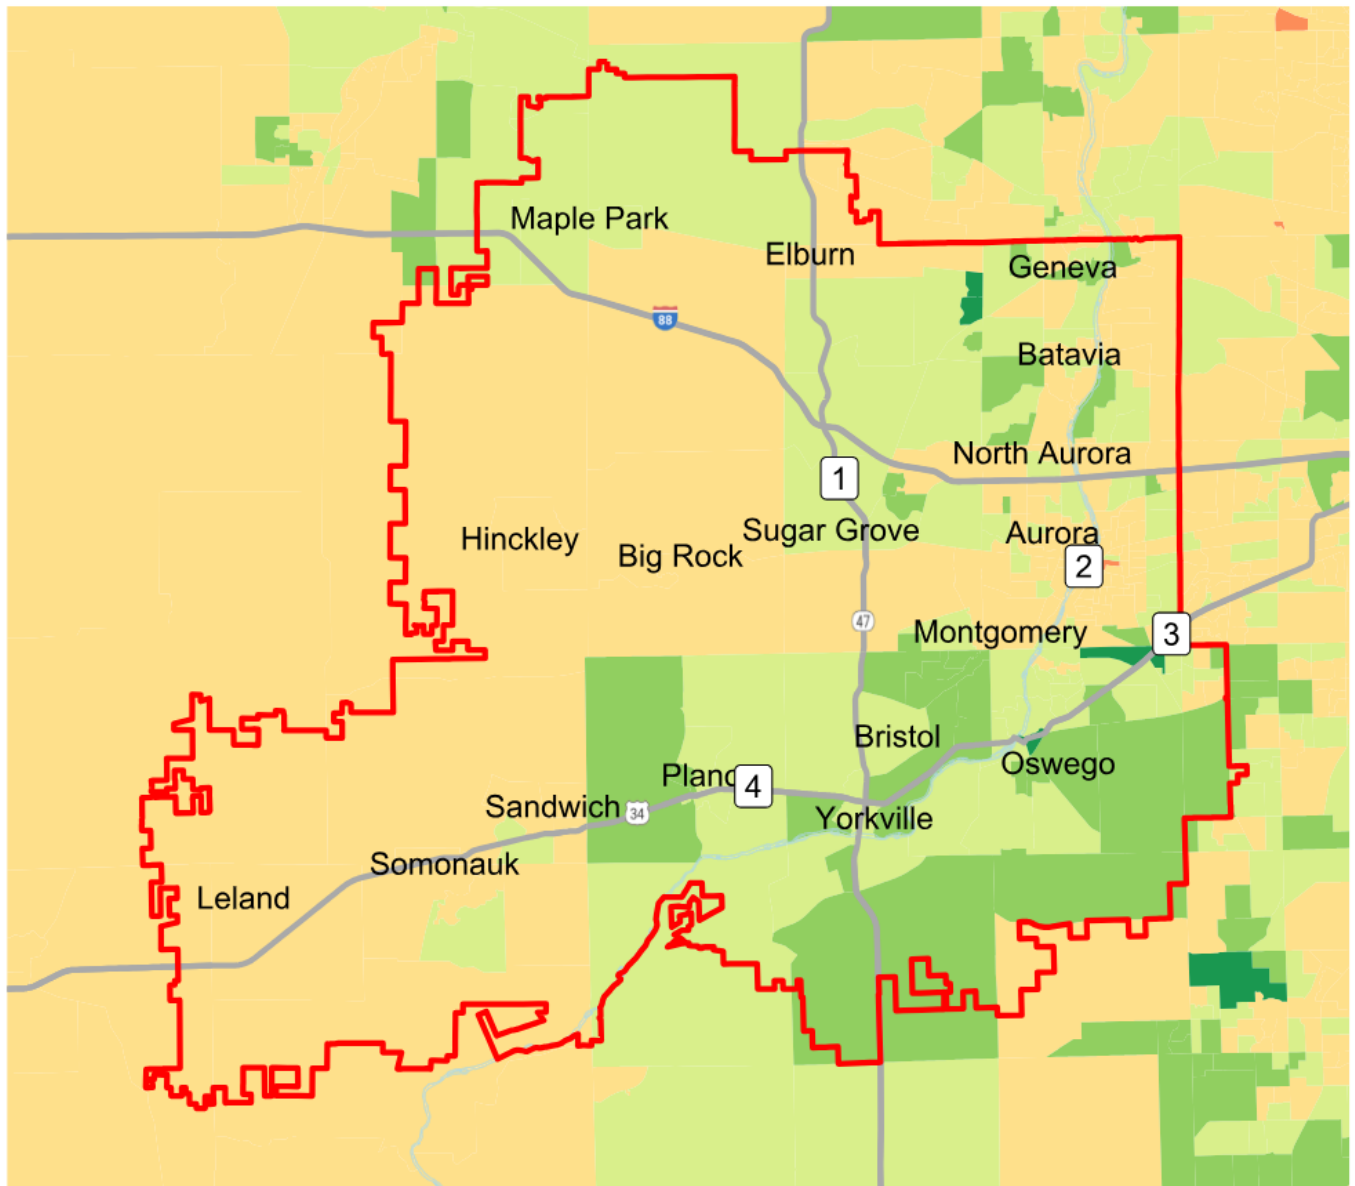

**Figure 3: Population Estimate and Fall Credit Enrollment - Percent Difference by ZIP Code (2022/2023)**

**Figure 3:** In theory, the percentage of credit student enrollment from a ZIP Code should approximate the percentage of the Waubonsee population that it makes up – that is, the expected difference between population and credit enrollment percentage should be small.

Aurora 60504 and 60502 (DuPage) show significantly lower than expected Fall 2022 credit student enrollment given their 2023 estimated population. Not many credit students enrolled in Fall 2022 from either of these ZIP Codes (N = 185 and N = 54, respectively)

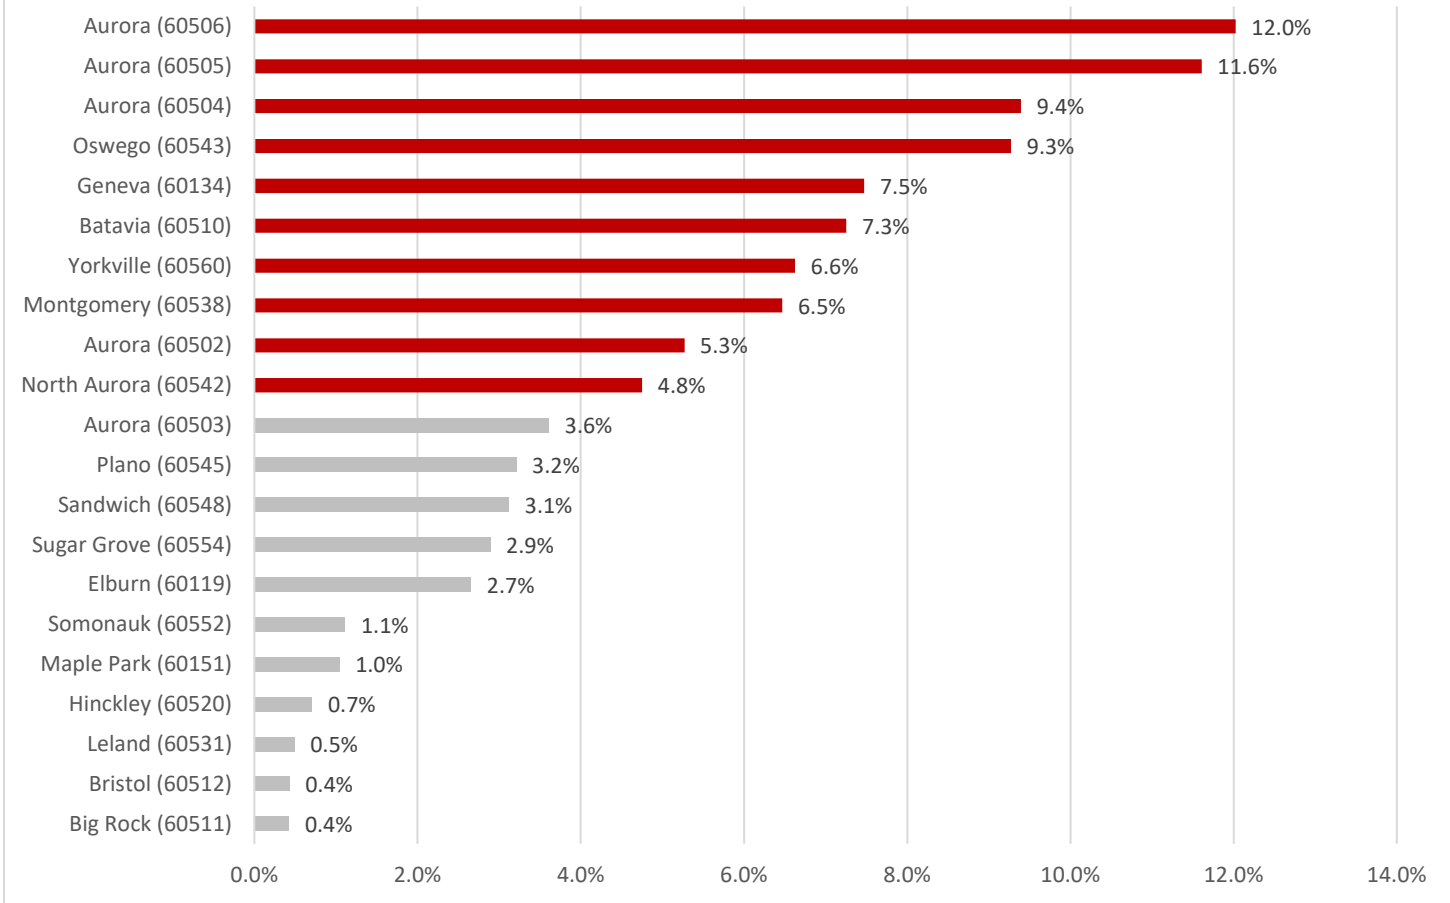

## Average Annual Household growth, 2020-2023 (percent change)

### Campus Locations Legend

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus
- 3 Aurora Fox Valley Campus
- 4 Plano Campus

**Figure 4: Most Populated ZIP Codes by Household (2023 estimate)**

**Figure 4:** Illustrates the percentage of households in a particular ZIP Code as a percentage of all Waubonsee district households – estimated to be 149,084 households in 2023. The 10 most populated communities by household are highlighted in red and represent 80.1% of the district

At the ZIP Code level, the Waubonsee district as a whole has shown an **estimated 3-year household growth rate between 2020 and 2023 of 1.04% (0.34% annual household growth rate)**. Two-thirds of ZIP Codes are expected to fall within the range of -0.81% to 2.92% for their 3-year growth rate.

**Qualifying communities\* whose household growth rate for 2020-2023 falls outside of the 3-year growth rate prediction are shown below:**

Community	# of Households (HH)*	HH Growth Rate 2020-2023
Yorkville (60560)	9,879	5.0%
Oswego (60543)	13,823	4.1%
Aurora (60505)	17,306	-1.5%

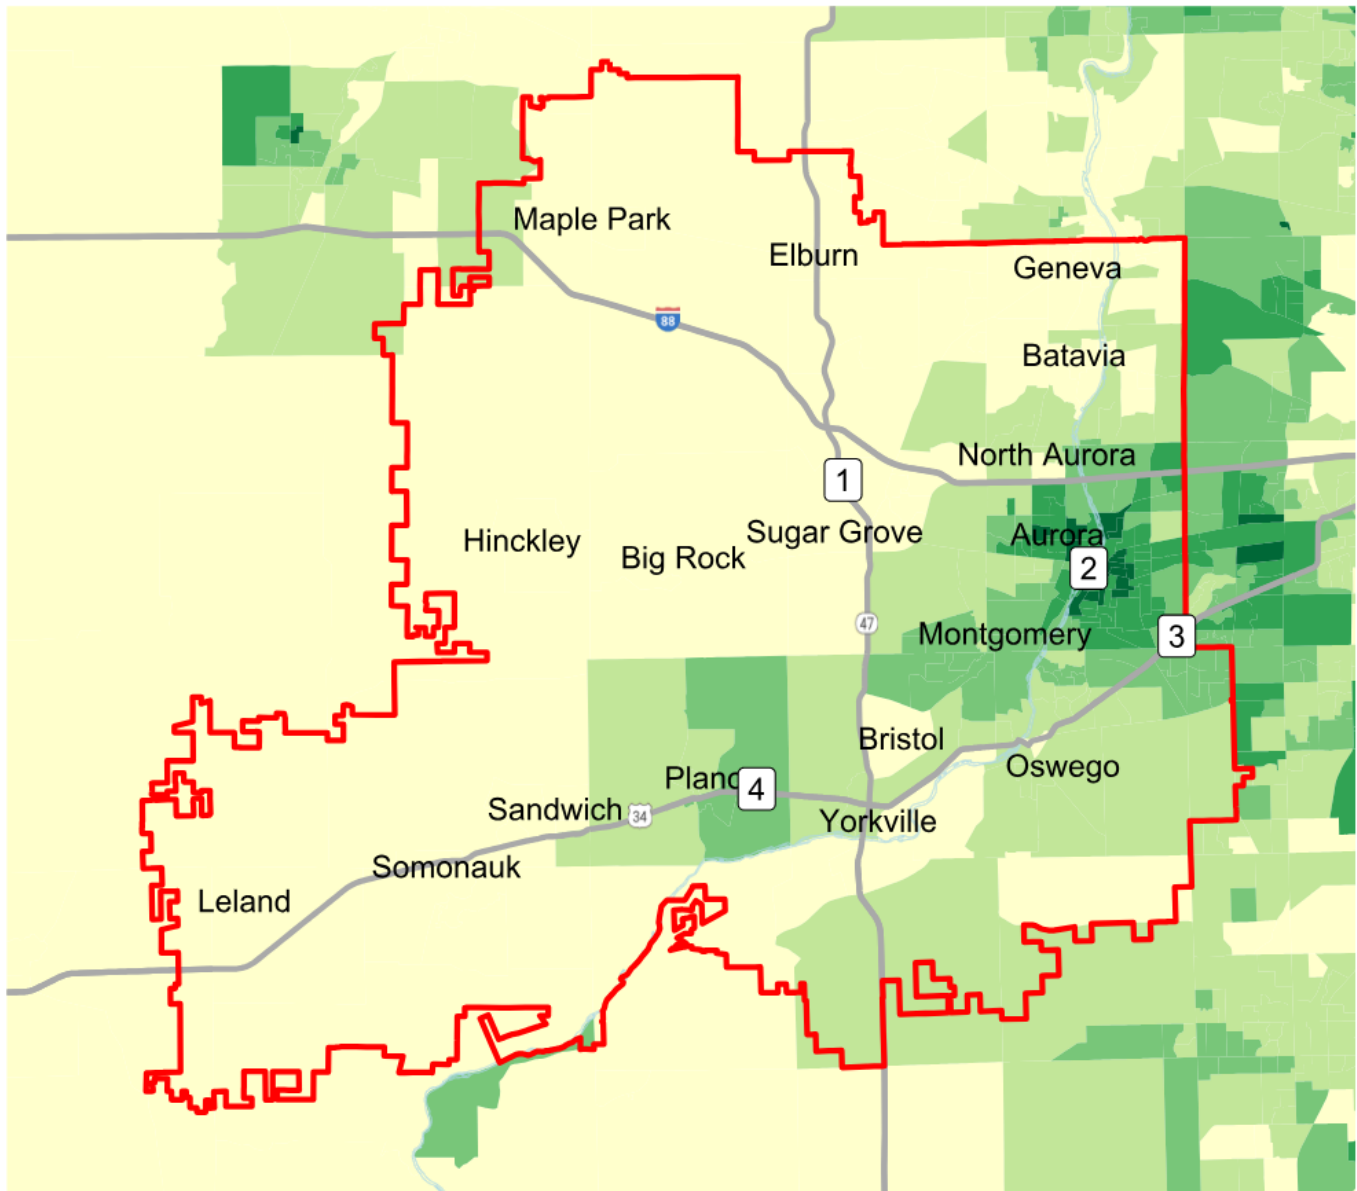

\* Communities with less than 1,000 households in 2023 are not shown in the above table.

**Please note: the communities with the highest growth rate are located along the “Route 34 corridor”.**

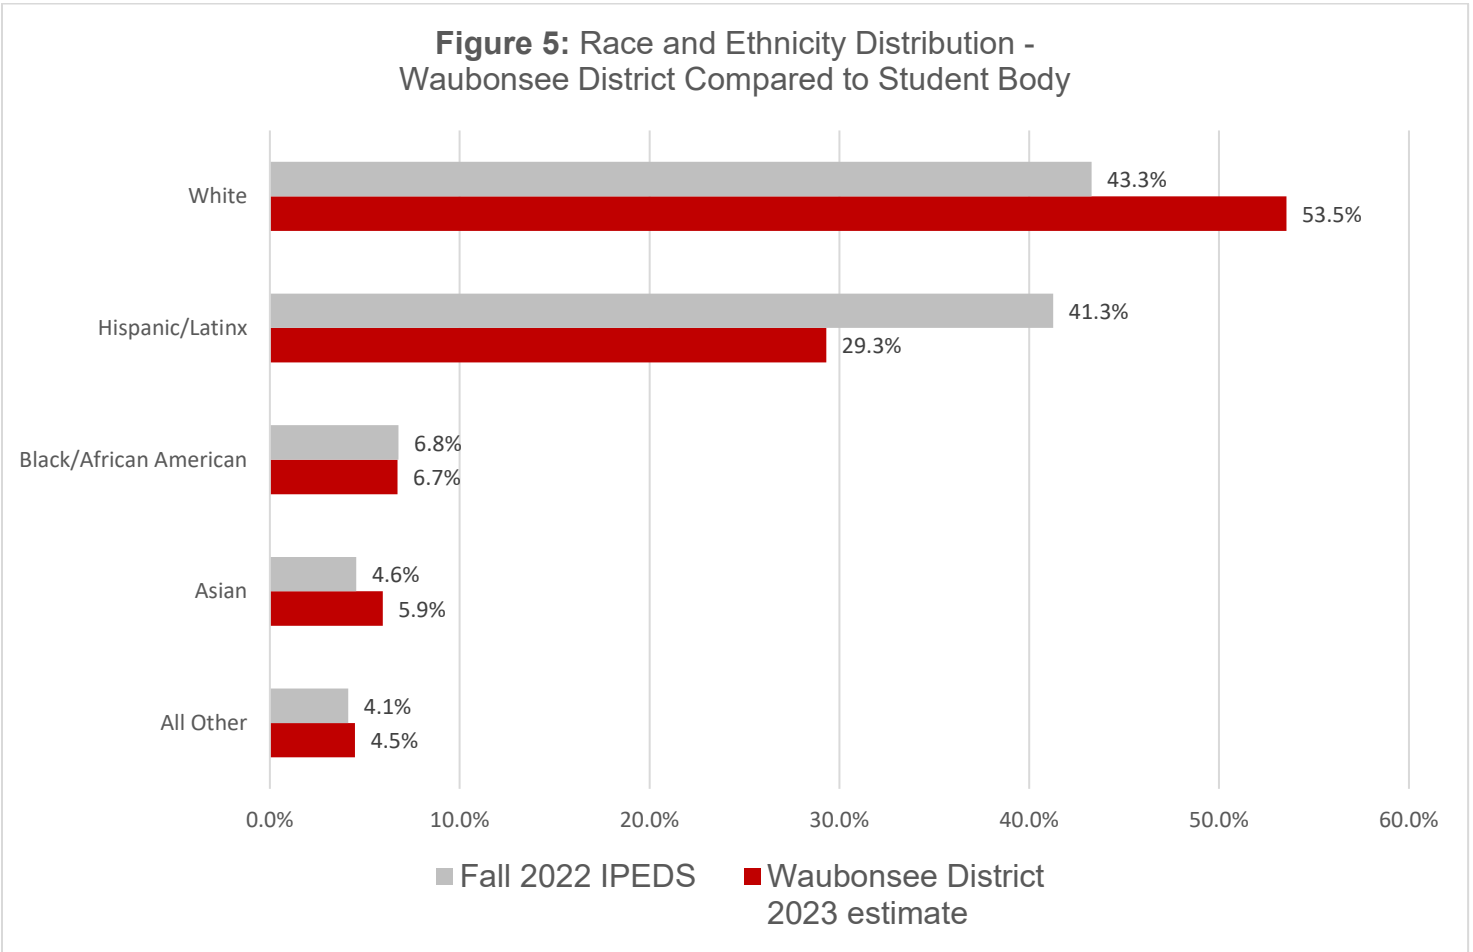

### Percent of Population that is Nonwhite, 2023

#### Campus Locations Legend

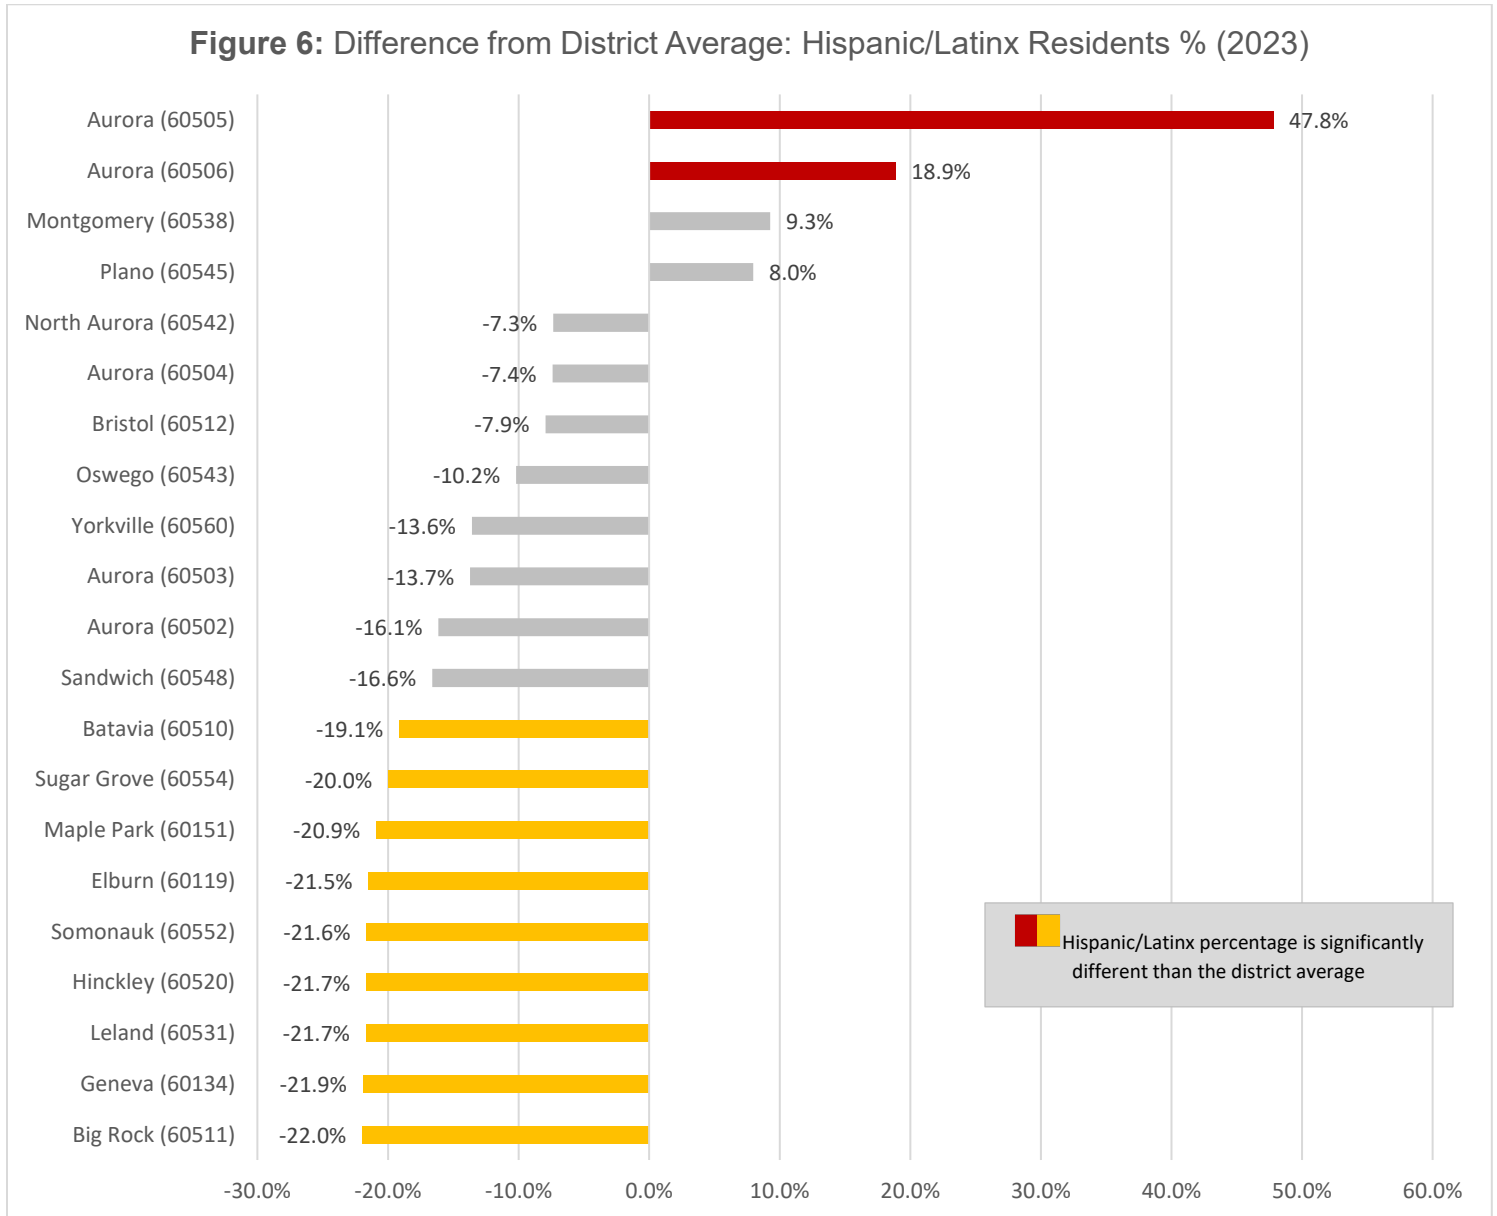

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus
- 3 Aurora Fox Valley Campus
- 4 Plano Campus

**Figure 5:** Illustrates the 2023 estimated race/ethnicity distribution of the district compared to the same distribution of Waubonsee credit students in Fall 2022 (IPEDS). The ‘All Other’ category includes those identified as American Indian/Alaskan Native, Pacific Islander, Multiethnic, other race/ethnicity, and unknown/prefer not to respond.

**Note:** In-district representation of Hispanic/Latinx residents (29.3%) is lower than representation of this race/ethnicity subgroup in the Fall 2022 student population (41.3%).

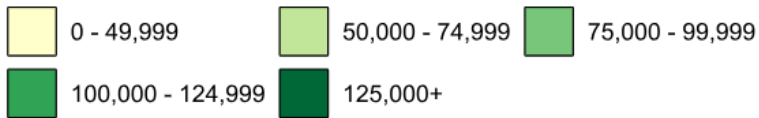

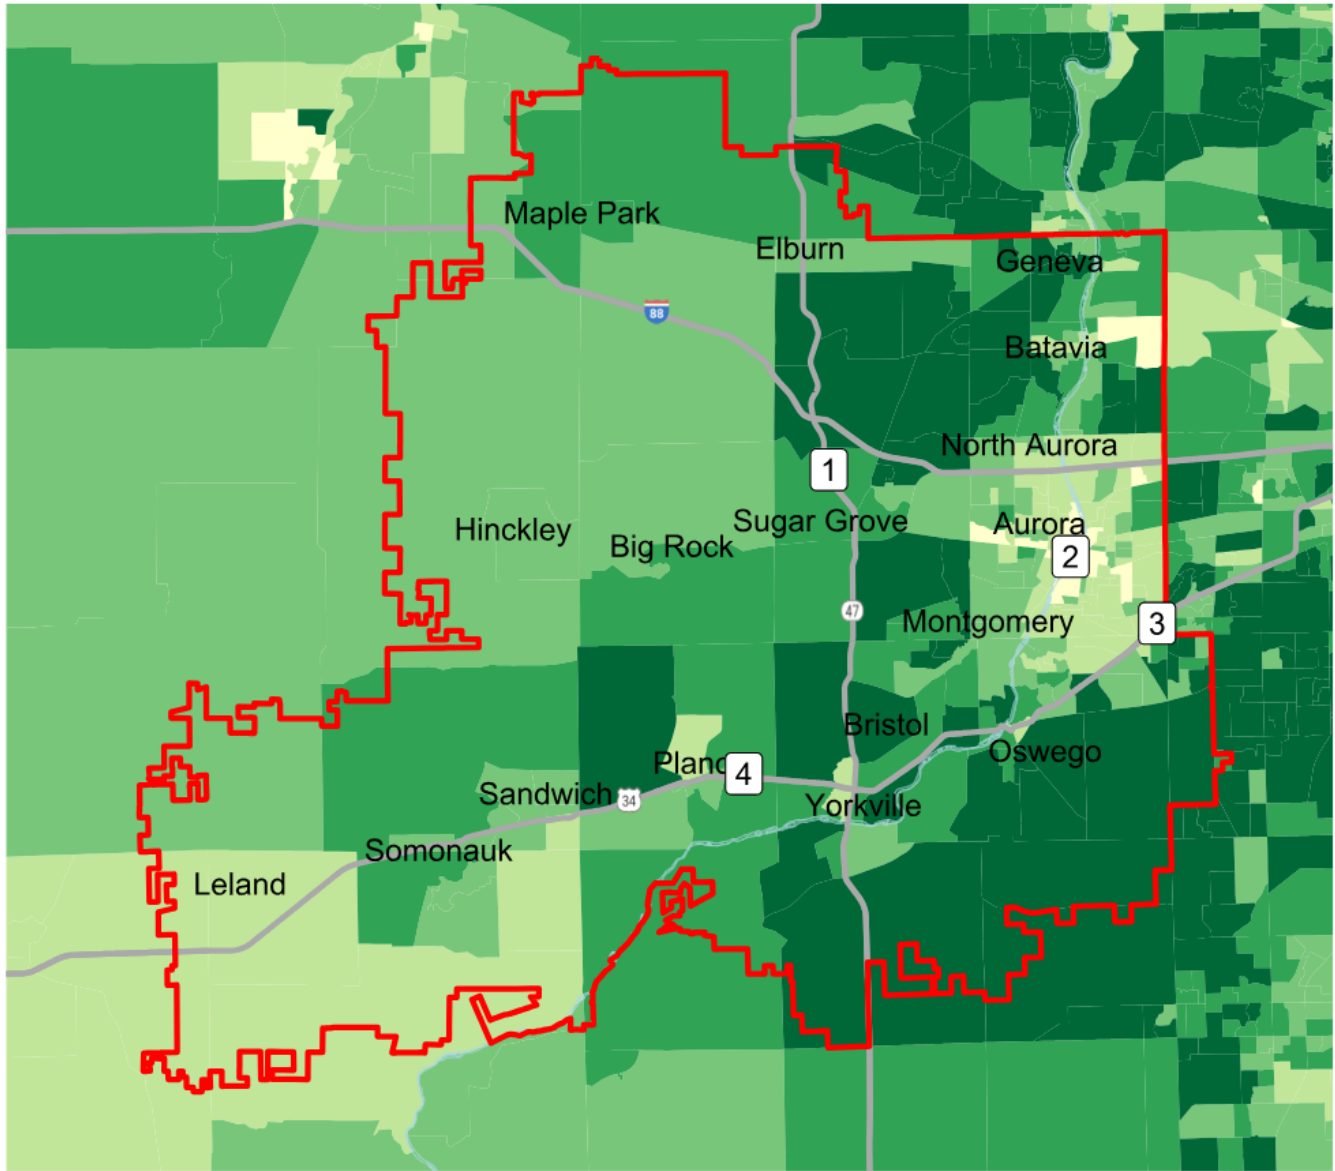

The figure below shows the relative distribution of Hispanic/Latino residents across the district compared to the district average of 29.3% (shown as the vertical axis, or zero).

Note: There is a higher than average concentration of Hispanic/Latinx residents in both Aurora 60505 and Aurora 60506. The concentration of Hispanic/Latinx residents varies greatly across the district, with lower non-white representation seen predominantly in communities west of Route 47 (with the exception of Plano). If you were to exclude the 60505 and 60506 Aurora ZIP Codes from the District total, White residents would make up 63.7% of the overall total, and Hispanic/Latinx residents would be represented at 18.0% overall (an 11.3% decrease).

## 2023 Median Household Income

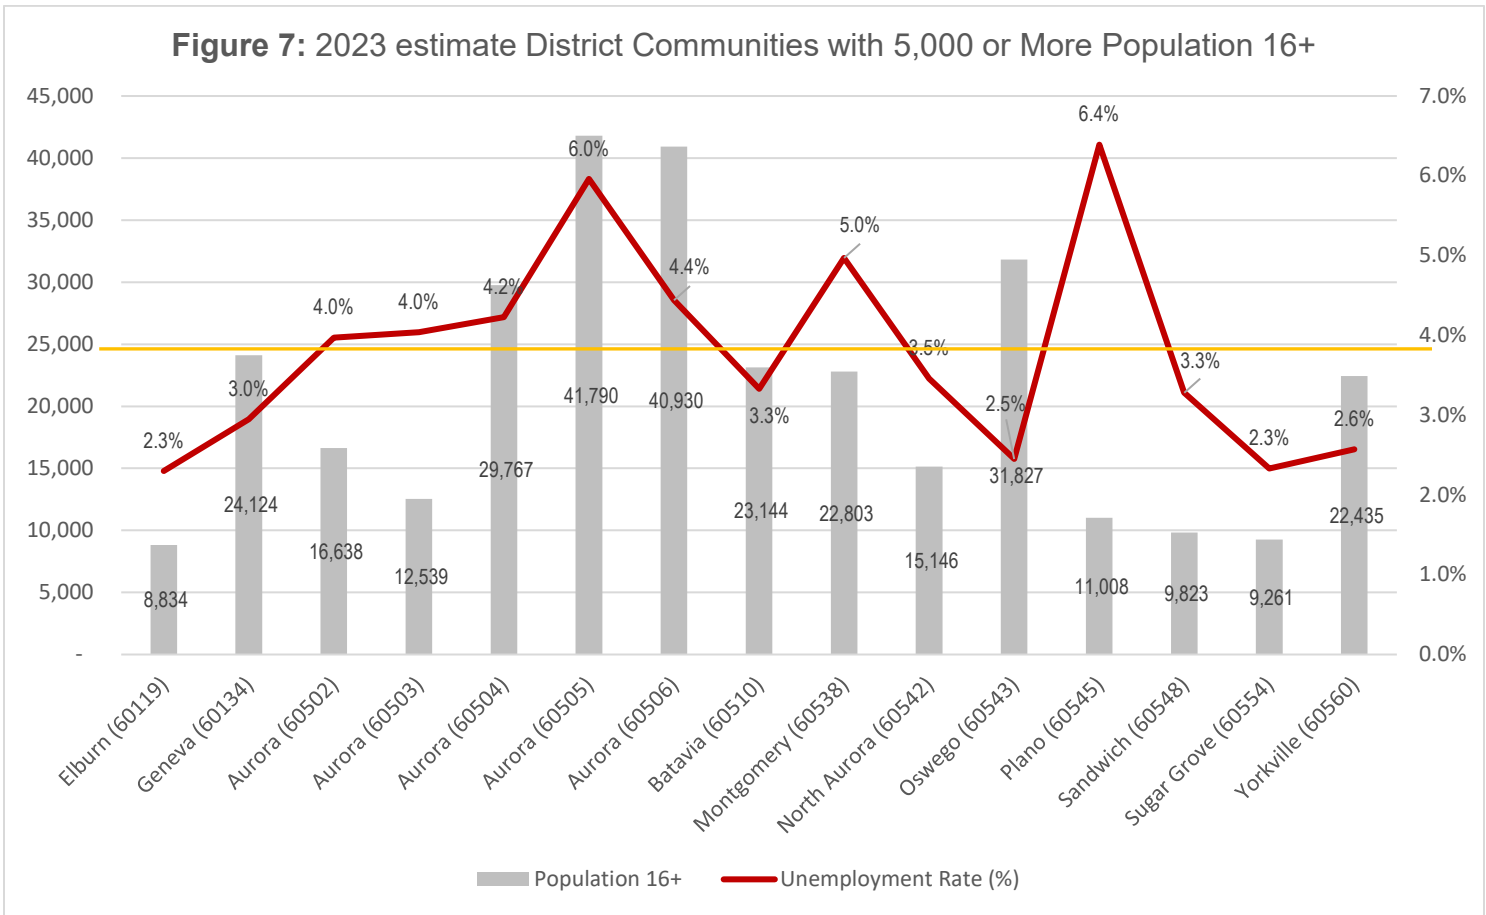

### Campus Locations Legend

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus
- 3 Aurora Fox Valley Campus
- 4 Plano Campus

- The “labor force” may be defined as all citizens over 16 years old who are willing and able to work. It includes the employed (civilian or armed forces) plus the unemployed. This number excludes people who are institutionalized or who choose not to work for a registered business. **The 2023 estimate for the district labor force is 227,594 members.**
- A person is considered “employed” when he/she holds a full- or part-time position with a registered employer or is self-employed.
- The unemployment rate is the percentage of the total labor force that is unemployed but is actively seeking employment and is willing to work. Unemployment may be due to:
  - unique catastrophic local or global crises (such as the recent pandemic)
  - cyclical economic fluctuations, like the pending recession
  - seasonal changes, such as the decrease in the number of construction jobs during winter
  - structural changes to businesses and occupations, where a business may be reorganizing its workforce, or where workers need to “re-tool” their skill set to compete in the workforce
  - termination of employment
- ‘Unemployment rate’ may understate actual unemployment due to:
  - Under-employed workers are not counted as unemployed
  - “Disillusioned workers” who have stopped seeking employment are no longer in the unemployment calculation.

**Figure 7:** Shows 2023 residents employed and unemployment percentage for in-district ‘large’ communities (labor force of at least 5,000 residents). The 2023 district unemployment rate for large communities was 4.0%. Higher than average unemployment rates were seen in Plano (60545), and East Aurora (60505). Lower than average unemployment rates were seen in Elburn (60119), Sugar Grove (60554) and Oswego (60543).

**Figure 8: Projected Highest Ranked Occupations (2023-2028)**

Sort Order: # of Top 10 placements (appeared as a top 10 ranked selection in more than one area), Median Hourly Earnings, and 2023-2028 job change (#)

SOC	Description	2023 Jobs	2028 Jobs	2023 - 2028 Change	2023 - 2028 % Change	Typical Entry Level Education	Median Hourly Earnings	2023 Employment Concentration	2021 Completions		# Top 10

**Figure 8:** The table on the previous pages looks at a combination of overall ranking, 2023-2028 job change, median hourly earnings and employment concentration. Three occupations are on the top of the list: Heating, Air Conditioning, and Refrigeration Mechanics and Installers, Heavy and Tractor-Trailer Truck Drivers, and Medical Assistants. Waubensee had 2021 completions in two of these three “top” areas.

**Employment Concentration** = a metric indicating relative concentration in a local geography compared to the national concentration. A value of 1.0 would mean that the local occupation concentration equals the national concentration. The higher the value, the higher the local occupation concentration.

#### Filters Applied to Occupational Table Output:

**Counties included:** Dekalb, DuPage, Kane, Kendall, La Salle, and Will

**Education required:** Some college, no degree; Postsecondary non-degree award; Associates

**Other filters:** 2023 jobs  $\geq$  50, median hourly earnings  $\geq$  \$15/hr.

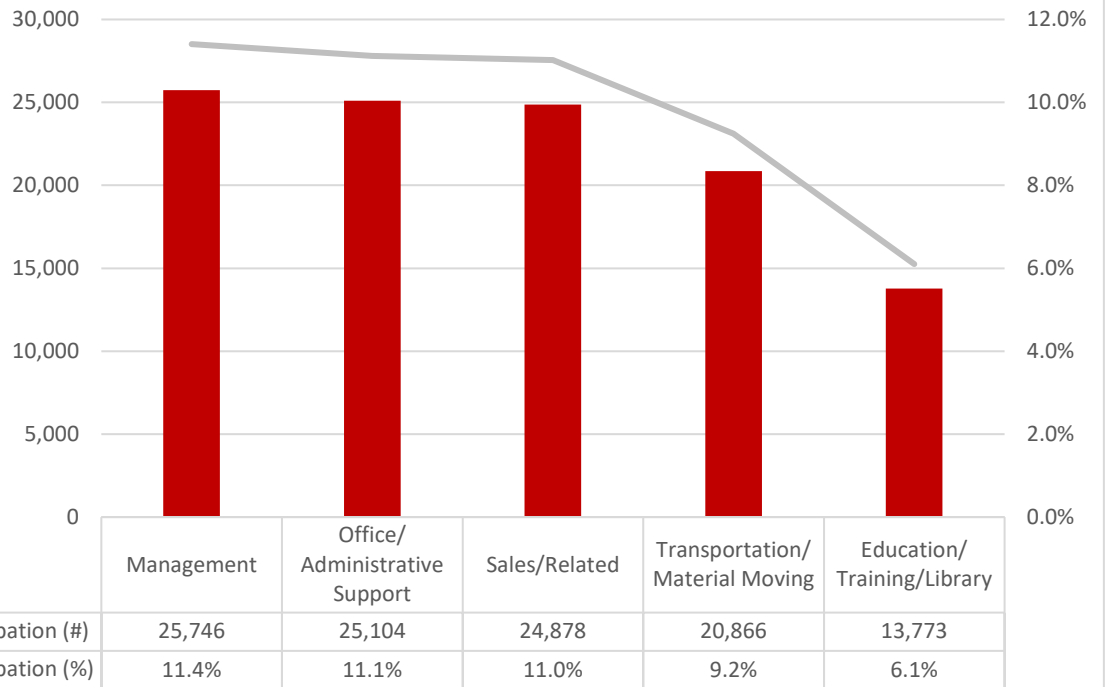

**Highlights:** **Green** = Top 10 ranking in column; **Yellow** = Median hourly earnings  $\geq$  \$30/hr. or Employment concentration  $\geq$  1.2

**Data Source:** LightCast (fka EMSI, Economic Modeling Specialists) Highest Ranked Occupations Report for 2023-2028

Depending on the category(ies) of most importance, the above table should provide useful information about potential occupations of interest regionally over the next 5 years.

**Figure 9: Top 5 Occupations in Waubonsee District by # Employed (2023 estimate)**

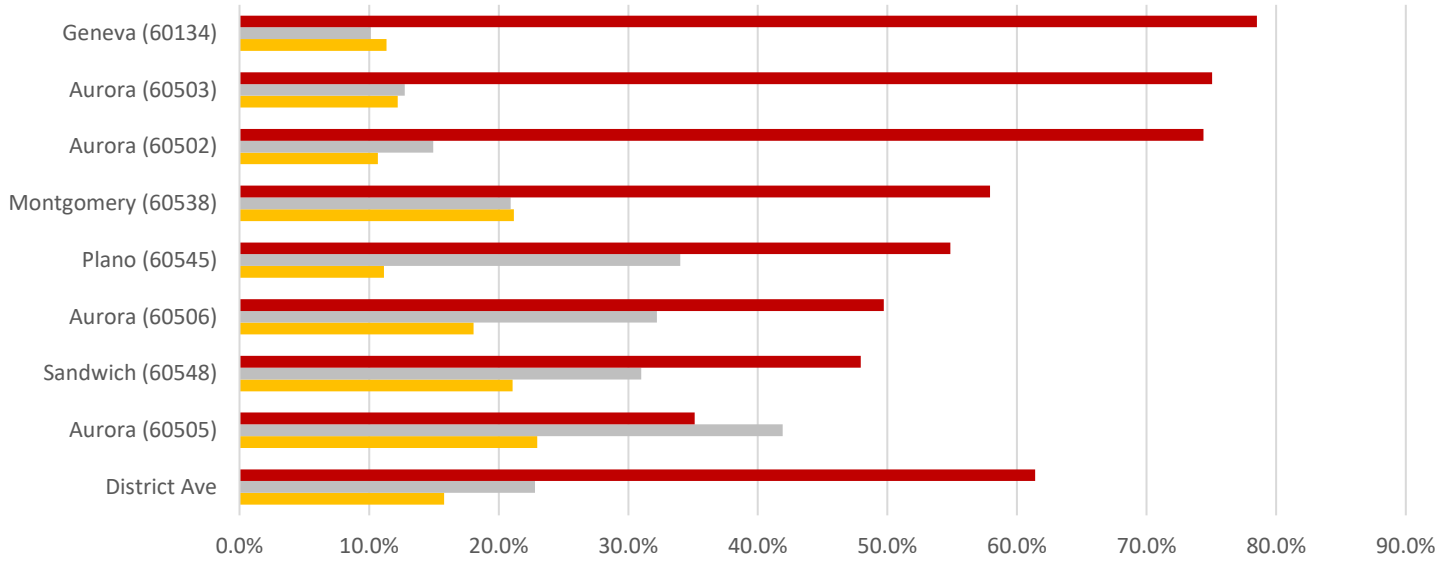

**Figure 9:** This figure shows the 5 occupations employing the most in-district residents. Top 5 varies across ZIP Codes.

Figure 10 shows occupational classification groups designated as White Collar, Blue Collar and Service/Farming, for those communities with at least 5,000 residents employed that have **at least one classification group differing from the district average**. White collar occupations tend to have higher educational expectations and wages than other classifications.

**Figure 10: Occupational Classification Group Distribution (2023 estimate)**

	District Ave	Aurora (60505)	Sandwich (60548)	Aurora (60506)	Plano (60545)	Montgomery (60538)	Aurora (60502)	Aurora (60503)	Geneva (60134)
White Collar	61.4%	35.1%	47.9%	49.7%	54.8%	57.9%	74.4%	75.1%	78.5%
Blue Collar	22.8%	41.9%	31.0%	32.2%	34.0%	20.9%	14.9%	12.7%	10.1%
Service/Farming	15.8%	23.0%	21.1%	18.1%	11.1%	21.2%	10.7%	12.2%	11.3%

**Figure 10:** The district average for residents working in White Collar jobs is 61.4%. Aurora 60505 and Sandwich have significantly fewer residents working in a white-collar occupation than the district average; while Geneva and some Aurora ZIP Codes (60502 and 60503) residents are more likely to work in a white-collar job than the district average. Aurora (60505) residents are 19% more likely than the district average (22.8%) to work in a blue-collar occupation.

According to recent data sources, the table below shows those employers with the highest employee headcount within the Waubonsee Community College district. Several of the largest current employers in our district are within the healthcare industry. The healthcare industry also appears multiple times on the list of highest ranked occupations (shown earlier in this section) from Lightcast/EMSI.

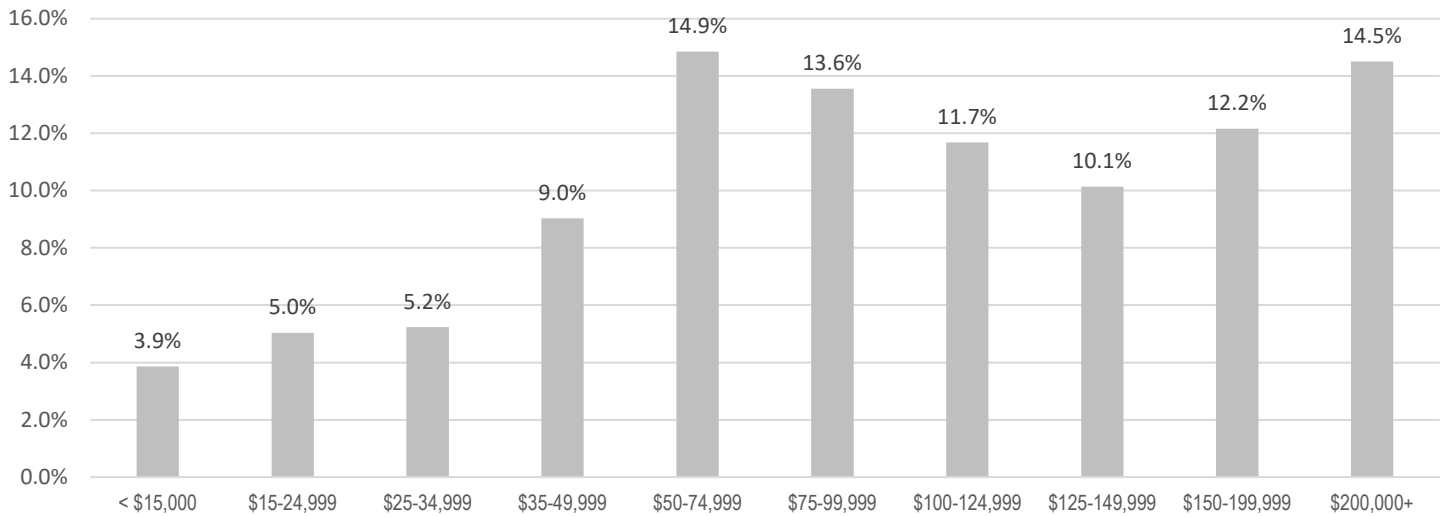

Largest Employers within District 516		
NAME	City	ZIP Code
Employer Headcount Range 10,000+		
OSI Group	Aurora	60505

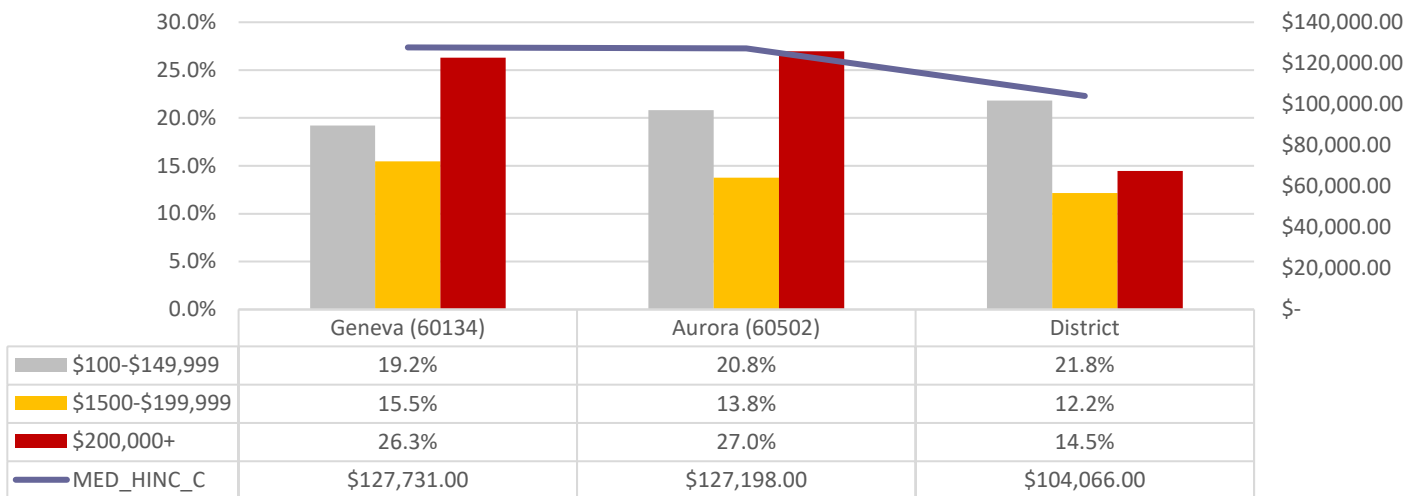

**Figure 11: District Annual Household Income Ranges (2023 estimate)**

**Figure 11:** This chart shows annual median district household income ranges. For the 2023 estimate, Waubensee’s district median income is \$104,066.

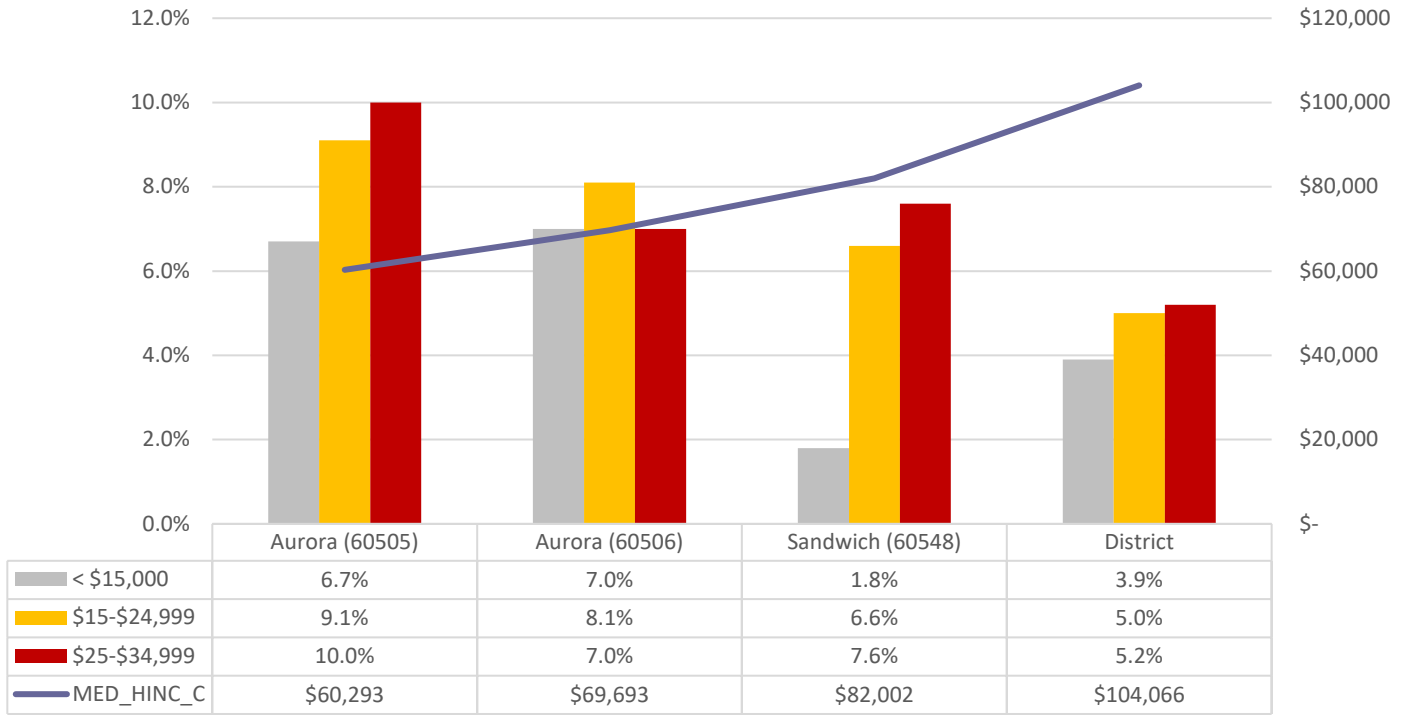

**Figure 12: Communities with Highest Annual Household Median Income Levels (2023 estimate, more than 1,000 households in the ZIP Code)**

**Figure 12:** Only two communities have significantly higher annual median household income levels than the district overall in the 2023 estimate. Geneva (60134) has the highest annual median income in our district, followed closely by Aurora (60502). These communities are in the northeast portion of our district. Only 14.5% of district households make \$200,000 or more annually.

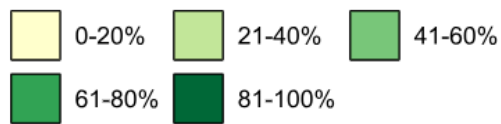

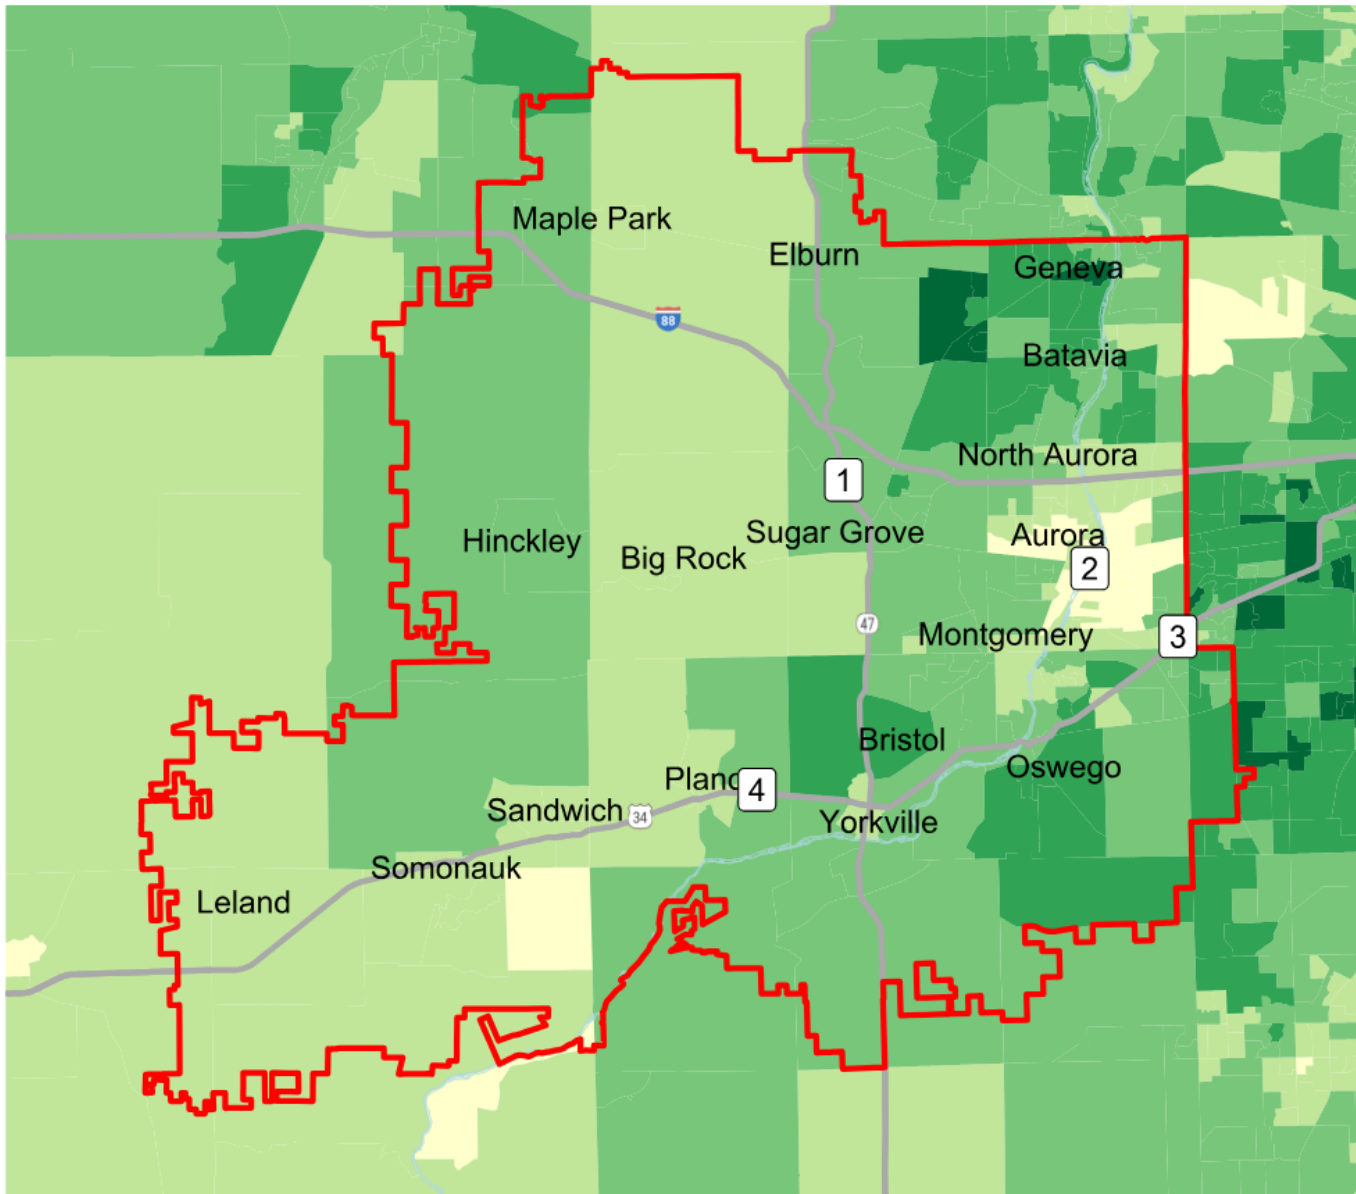

**Figure 13: Communities with Lowest Annual Income Levels**  
(2023 estimate, more than > 1,000 households in the ZIP Code)

**Figure 13:** East Aurora (60505, 25.8%), West Aurora (60506, 22.1%) and Sandwich (60548, 16.0%) have a significantly higher percentage of households with an annual income below \$35,000 - compared to the district average of 14.1%. Statistics from the 2022 Illinois Report Card show that 66.5% of high school students in the East Aurora high school district qualify as low-income (eligible to receive free or reduced-price lunches, live in substitute care, or whose families receive public aid) compared to the state average of 46.5%.

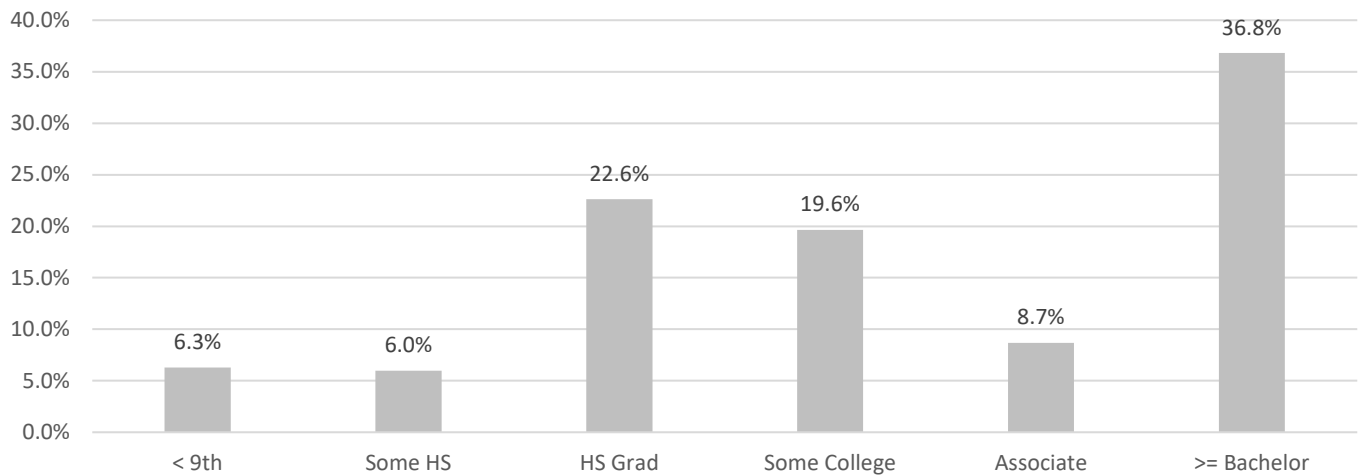

## Percent of Population with an Associate's or Higher Degree, 2023

### Campus Locations Legend

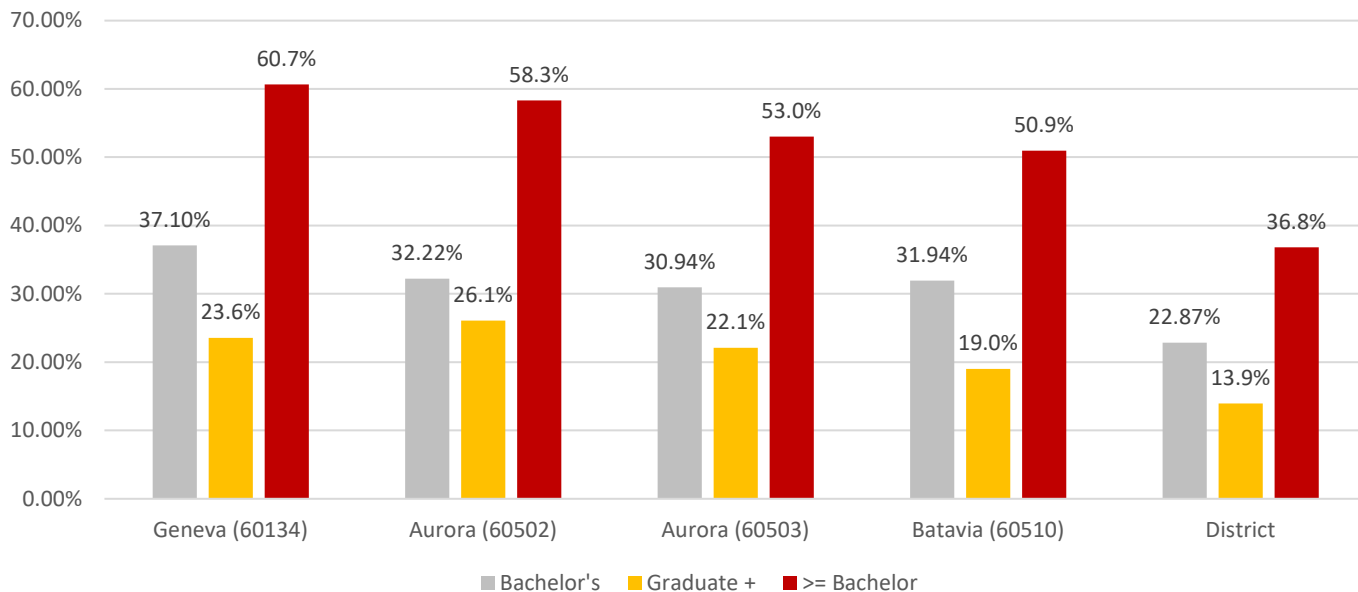

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus
- 3 Aurora Fox Valley Campus
- 4 Plano Campus

**Figure 14: Education Level in District (2023 estimate)**

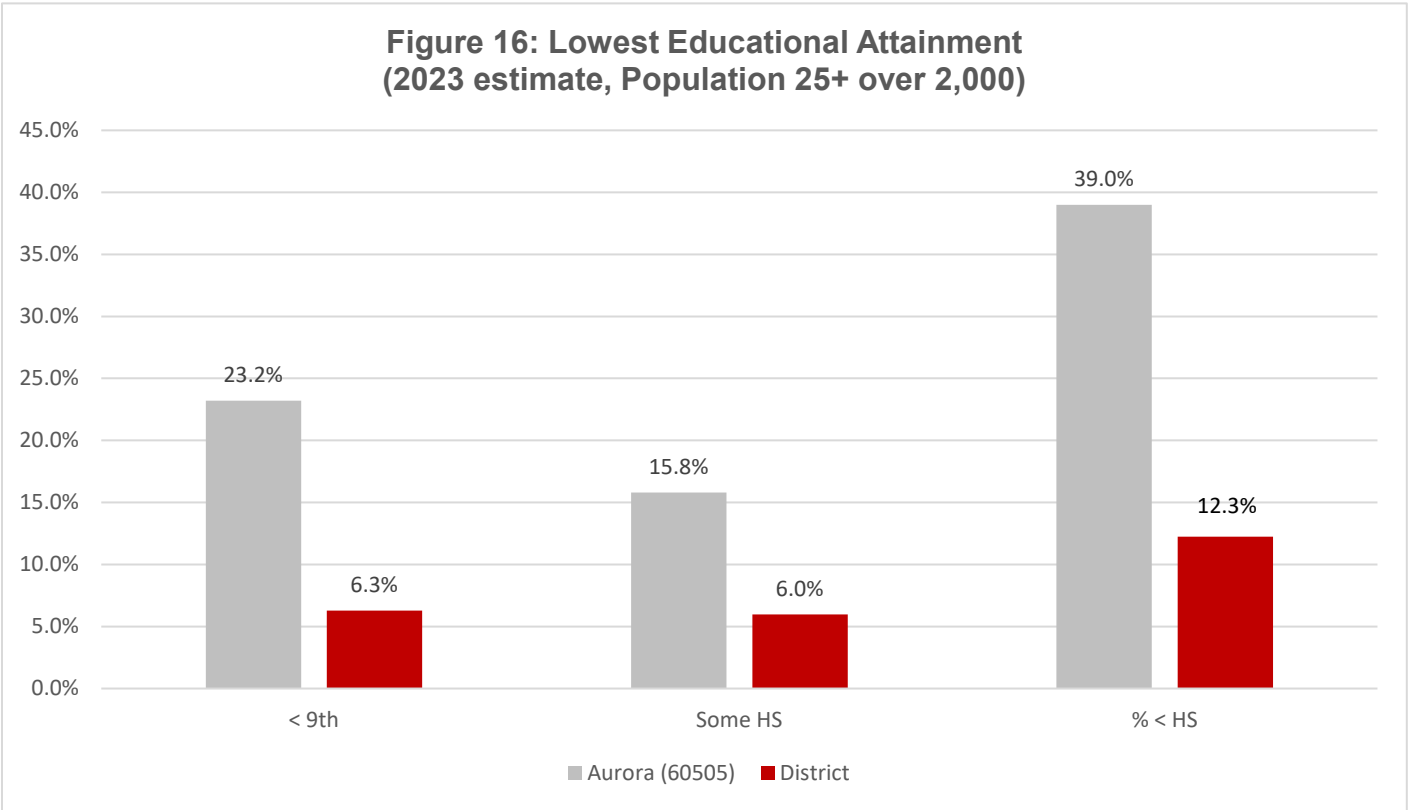

**Figure 14:** This is an overview of the educational level of all Waubensee district residents over 25 (estimated 25+ total population = 279,965). Note: Observed percent of education less than HS is greatly influenced by our two largest communities, Aurora 60505 and 60506. If those two ZIPs were excluded, the 'less than HS' percentage for the district would be 6.8% instead of 12.3%

**Figure 15: Highest Educational Attainment (2023 estimate, Population 25+ over 2,000)**

**Figure 15:** Residents in the above communities are significantly more likely to hold a Bachelor's or higher degree than the district average (36.8%). Geneva (60134) continues in the top spot as the 'most educated' district community this year as measured by the 'Total Bachelor's+' category. The lower threshold for inclusion in this chart was 50.4% of residents over 25 in the 'Bachelor's+' category, slightly higher than last year's threshold of 49.3%

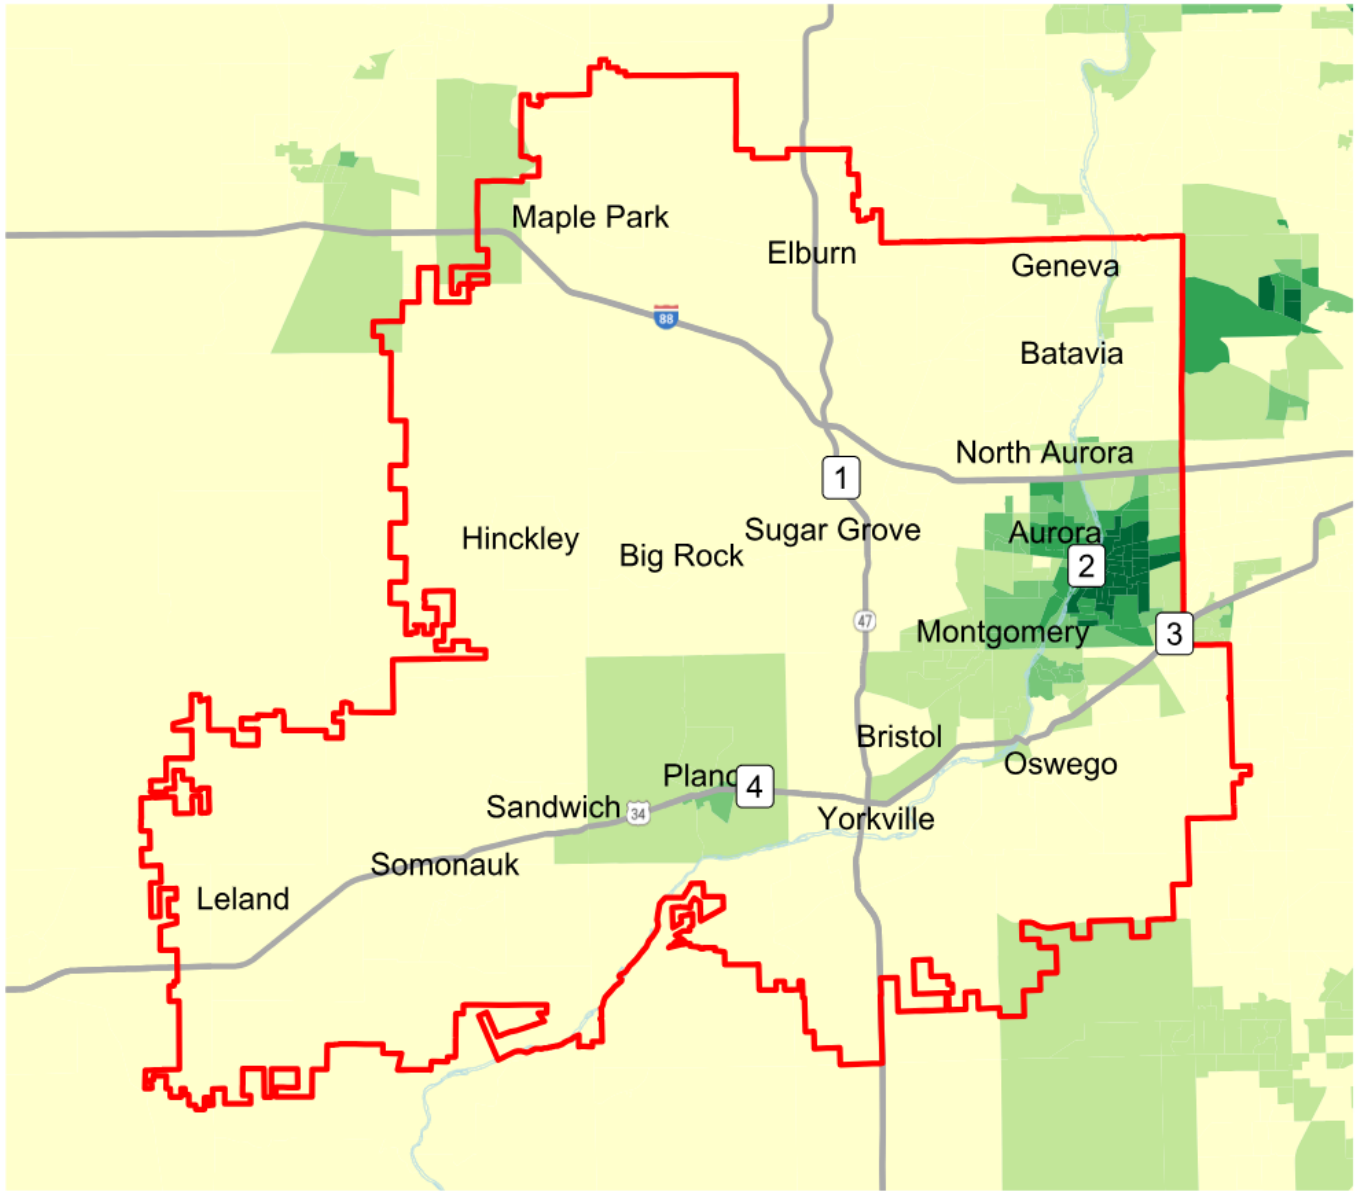

**Figure 16:** The above chart shows a single community in Aurora (60505) with a significantly higher than average percent of residents with low educational attainment compared to the district average. The district average percent of residents with an education level less than a High School diploma is 12.3%. 39% of Aurora 60505 residents over 25 have less than a HS education. If 60505 data were excluded from the district figures, percentage of in-district residents with less than a High School diploma would decrease to 8.5%.

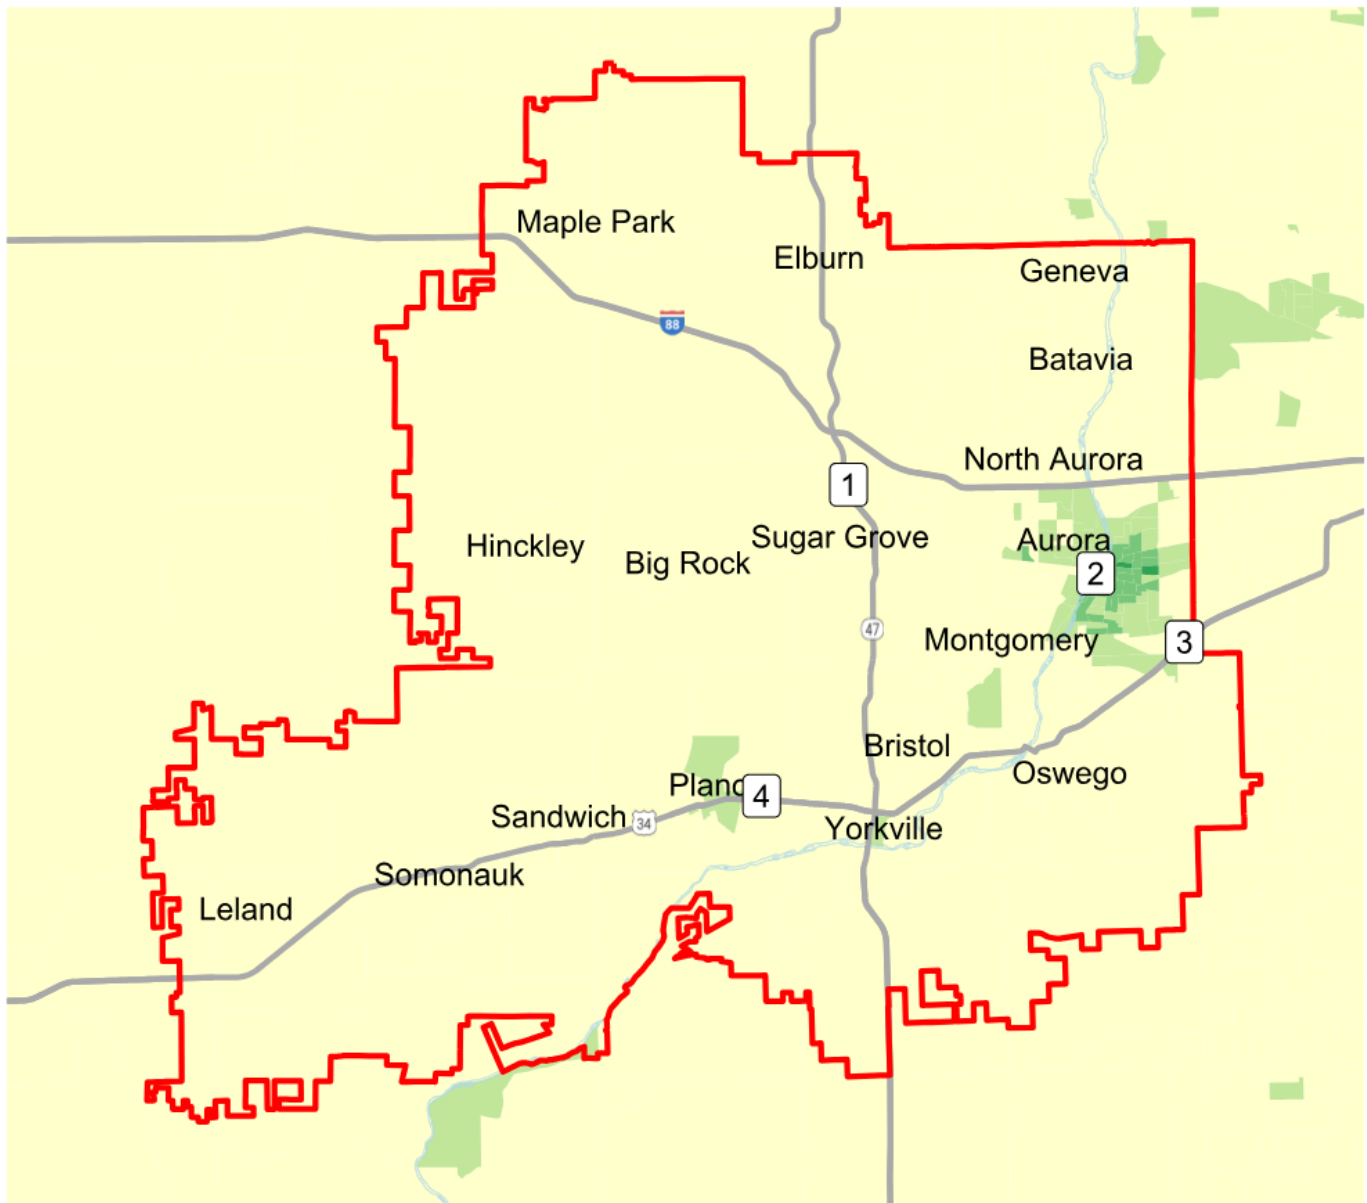

### Percent of Population that is Hispanic/Latino, 2023

#### Campus Locations Legend

- 1 Sugar Grove Campus
- 2 Aurora Downtown Campus

## Aurora, IL - ZIP Code 60505

**DEMOGRAPHIC DATA**

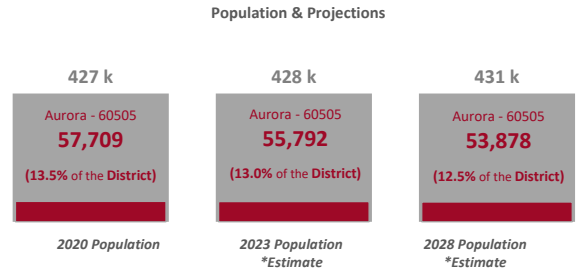

**ZIP Code-level Demographic Points of Interest**

- There are a much higher percentage of Hispanic/Latinx residents in 60505 (77%) than in the district overall (29%).
- A lower percentage (11%) of residents in 60505 have a Bachelor's Degree or higher, compared to the district average (37%).
- More 60505 (61%) resident households have an annual income below \$75,000 compared to the district (38%), accompanied by a lower White Collar occupation rate (35%) than the district average (61%).
- Lower educational levels in Aurora (60505), combined with a low rate of white-collar jobs, likely contributes to the much lower observed annual household median income (\$60k) compared to the district (\$104k) - 58% of the district average.

### INSTITUTIONAL DATA

#### ZIP Code-level Institutional Points of Interest

- Fall 2022 enrollment saw a 37% increase over Fall 2021 in 60505. Over 3/4 of this increase was in the Adult Education area.
- On average, graduates from Aurora East and Aurora West HS increased by 7% between 2021 and 2022. The percentage attending Waubensee kept pace with that change.
- Campus enrollment distribution for 60505 residents is pretty similar to the district average, with slightly more students enrolling at the Aurora Downtown campus (where much of the Adult Education program is housed).

## Aurora, IL - ZIP Code 60506

**DEMOGRAPHIC DATA**

**ZIP Code-level Demographic Points of Interest**

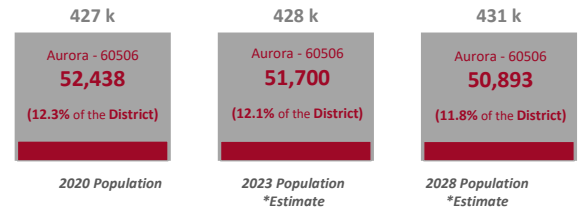

- 46% of residents in the Waubensee district hold an Associate's or higher degree. In 60506, this percentage is 31%.
- A greater than average percentage of (54%) resident households in 60506 have an annual income below \$75,000 compared to the district (38%), accompanied by a lower White Collar occupation rate (50%) than the district average (61%).
- There are a higher percentage of Hispanic/Latinx residents in 60506 (48%) than in the district overall (29%).
- Lower educational levels in Aurora (60506) coupled with a lower than average percentage of white-collar jobs, contribute to the observed lower than average annual median household income in this community - 67% of the district average.

## Bristol, IL - ZIP Code 60512

**DEMOGRAPHIC DATA**

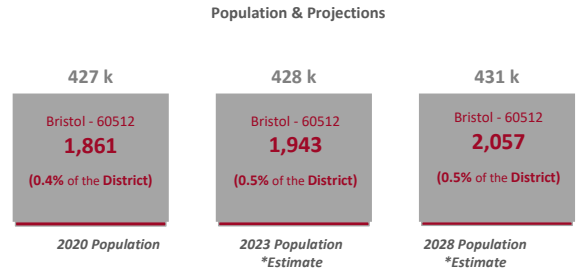

**ZIP Code-level Demographic Points of Interest**

- Only 11% of Bristol residents have an annual household income below \$50,00 - compared to 23% for the district, while 37% have an annual household income above \$150k (compared to the district average of 26%).
- % of Bristol residents in White Collar jobs matches the district (61%), but fewer hold Blue Collar jobs (15% vs. 23%) and more hold Service & Farming jobs (24% vs. 16%).
- Lower unemployment and Blue-Collar job rate, together with higher Service and Farming employment, contribute to the observed higher annual household median income (\$121k) in Bristol - 16% higher than the district average.

## Elburn, IL - ZIP Code 60119

**DEMOGRAPHIC DATA**

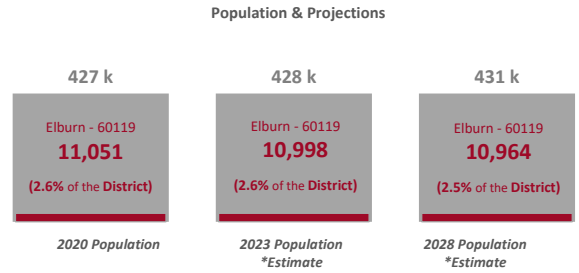

**ZIP Code-level Demographic Points of Interest**

- A higher percentage of Elburn residents are White (84%) compared to the district average (54%).
- Elburn residents are similar to the district average in age and educational attainment distribution, as well as the occupational category of their employment.
- 37% of Elburn residents have an annual household income of \$150,000+ (compared to 26% for the district). Median annual household income is about 12% higher (\$117,000) than the district median (\$104,000).
- Elburn (60119) residents are less diverse than the district average. Higher than average White-Collar job percentage coupled with low unemployment rate contribute to the observed 13% higher than average annual median household income for 60119 residents.

## Geneva, IL - ZIP Code 60134

**DEMOGRAPHIC DATA**

**ZIP Code-level Demographic Points of Interest**

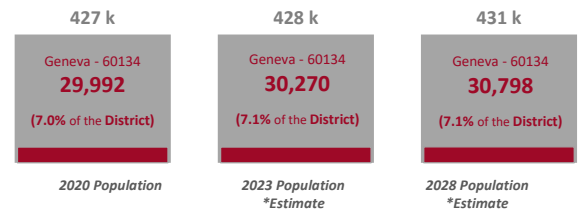

- A higher percentage of Geneva residents are White (84%) compared to the district average (54%).
- 41% of Geneva residents have an annual household income above \$150,000 (district average 28%). Median income in Geneva is about 23% higher than the district average (128k vs. 104k).
- 61% of 60134 residents hold a Bachelor's or higher degree, compared to the district average of 37%. More Geneva residents are employed in White Collar occupations (79%) than the district average (61%).
- High levels of educational attainment, coupled with high rates of white-collar employment and lower than average unemployment in Geneva (60134) likely impact the observed high median annual household income (\$128k) in this community - 23% higher than the district.

Hinckley, IL - ZIP Code 60520

**DEMOGRAPHIC DATA**

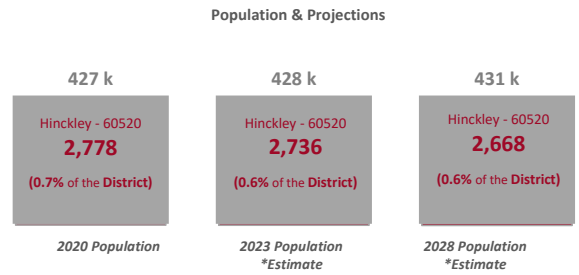

**ZIP Code-level Demographic Points of Interest**

- A higher percentage of Hinckley residents are White (87%) compared to the district average (54%).
- The highest educational attainment for more Hinckley residents is between HS graduate and Associate's degree (66%) compared to the district average (52%).
- The unemployment rate in Hinckley (9.0%) is higher than the district average (4.0%).
- Relatively low levels of educational attainment, coupled with average rates of white-collar employment and a higher unemployment rate in Hinckley (60520) likely impact the observed lower median income (\$91k) in this community.

## Leland, IL - ZIP Code 60531

**DEMOGRAPHIC DATA**

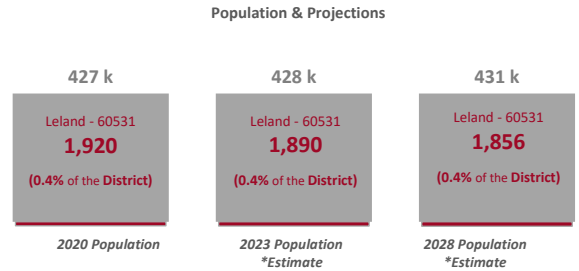

**ZIP Code-level Demographic Points of Interest**

- Non-white residents make up only 13% of the population in Leland - compared to the district average (46%), and annual population growth is negative.
- The highest educational attainment for more Leland residents is between HS graduate and Some College (64%) compared to the district average (43%).
- 32% of Leland residents have an annual household income below \$35,000 (compared to the district at 14%). Fewer employed 60531 residents hold a White-Collar job (46%) than the district average (61%).
- Lower levels of educational attainment and White-Collar employment in Leland (60531), coupled with higher unemployment, likely impact the lower observed annual household median income (\$63k) in this community - this is 39% lower than the district average.

## Maple Park, IL - ZIP Code 60151

**DEMOGRAPHIC DATA**

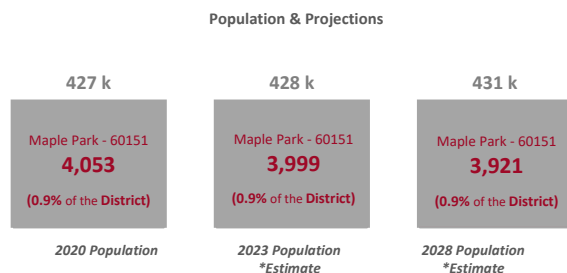

**ZIP Code-level Demographic Points of Interest**

- A higher percentage of Maple Park residents are White (86%) compared to the district average (54%).
- 36% of Maple Park residents are age 55+ (compared to the district average of 26%).
- The highest educational attainment for more Maple Park residents is between HS graduate and Some College (57%) compared to the district average (43%).
- In Maple Park (60151), a higher percentage of older workers and somewhat lower than average unemployment balance any consequences of educational deficits, to result in an observed annual median household income very similar to the district average.

## Oswego, IL - ZIP Code 60543

**DEMOGRAPHIC DATA**

**ZIP Code-level Demographic Points of Interest**

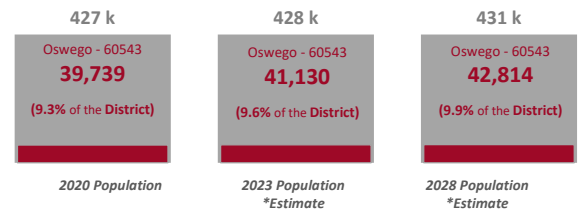

- Oswego (1.4%) is one of the few communities in our district with an annual growth rate above 1% (district average 0.3%).
- Race/Ethnicity, Age, Education, Length of Residence and Occupational Category distributions are similar to the district average for each.
- Oswego has somewhat more residents with an average annual household income above \$150,000 (36%) than the district average (26%), and more are employed in White Collar jobs (70%) than the district average (61%).
- In Oswego (60543), a higher rate of White-Collar jobs and lower unemployment, coupled with a somewhat higher average educational attainment combine to result in an observed annual household median income that is 12% higher (\$116k) than the district average(\$104k).

Plano, IL - ZIP Code 60545

**DEMOGRAPHIC DATA**

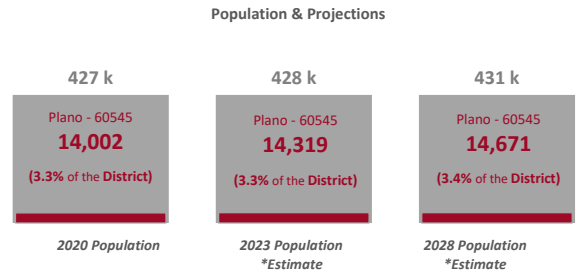

**ZIP Code-level Demographic Points of Interest**

- Plano has 49% Non-White residents, with Hispanic/Latinx having the highest representation among these subgroups (37%) - higher than the district average (29%).
- 65% of Plano residents have as their highest educational attainment HS graduate to Associate's degree - compared to the district average (52%).
- Blue collar employment shows a higher representation in Plano (34%) than in the overall district (23%), and the unemployment rate is somewhat elevated (6.4% vs. 4.0% for district).
- Classified as Blue-Collar, Construction/Extraction jobs are often specialized technical in nature and often make around \$100k annually. Given the other metrics working against meeting the district average annual household income (relatively low education, high Blue-Collar percent), this unique top-5 occupation for this ZIP may influence the observed annual household earnings positively in Plano (60545).

**Somonauk  
60552**

**Somonauk, IL - ZIP Code 60552**

**DEMOGRAPHIC DATA**

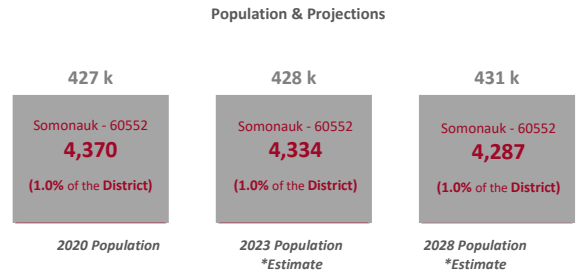

**ZIP Code-level Demographic Points of Interest**

- White residents in Somonauk (60552) make up more of the population (87%) compared to the district (54%).
- The highest educational attainment for Somonauk residents is between HS graduate and Associate's degree (73%) compared to the district average (52%).
- The Age, Income and Length of Residence distributions are similar in Somonauk to the district averages for each.
- Somonauk residents tend to be white, less educated, and less likely to hold a White-Collar job than the district average - but this may be offset by the good pay of "Construction/Extraction" Blue-Collar jobs that are one of this ZIPs top-5 occupations. Median annual household income in 60552 is only 5% below the district average.

## Sugar Grove, IL - ZIP Code 60554

**DEMOGRAPHIC DATA**

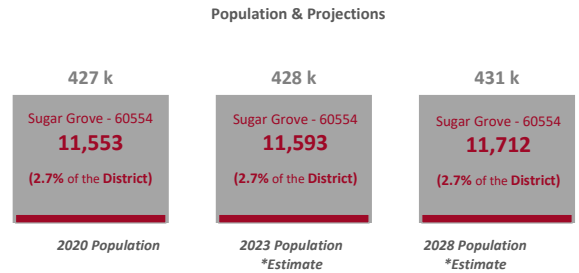

**ZIP Code-level Demographic Points of Interest**

- White residents in Sugar Grove (60554) make up more of the population (81%) compared to the district (54%).
- 60554 residents have a higher percentage of Bachelor's and Master's degrees (43%) than the district average (26%).
- 46% of households in Sugar Grove have an income of at least \$125,000 (compared to 36% for the district), and 6% more residents are employed in a White-Collar job than the district average.
- Sugar Grove residents tend to be more educated, and are more likely to have white-collar jobs than the district average, which combined with a lower unemployment rate likely contributes to the observed higher annual median household income in the community (\$116k), compared to the district average (\$104k).

## Yorkville, IL - ZIP Code 60560

**DEMOGRAPHIC DATA**

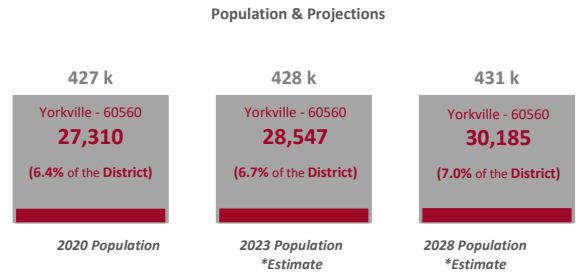

**ZIP Code-level Demographic Points of Interest**

- Yorkville (60560) has the highest annual household growth rate in our district during this cycle (1.7% vs 0.3% district).
- Yorkville residents are similar in Age, Education, and Length of Residence distributions, as well as in Occupational Category compared to the district averages for each.
- 62% of Yorkville residents have an annual median household income above \$100k, compared to 48% for the district.
- Relatively high annual growth rate, combined with lower unemployment rate, may positively impact median annual household income in Yorkville (\$122k) compared to the district (\$104k) - 17% higher than the district median.
